CHATHAM WON THIS ONE. Chatham had an easy time of it yesterday and could have had double the score made if they had so desired. Port Huron was in a badly crippled condition owing to Fuller and Flaherty leaving the team at Grand Rapids. The team was game, however, and with an outfield of pitchers, including Thomson, loaned from the Reds, with Pitcher Barry at third and Long in the box, the Hurons played to the best of their ability. The play was naturally ragged, and Long, having poor support, was not quite so effective as on his last visit. Hale pitched a superb game for the locals and up till the ninth allowed the Staters only one hit of the scratch variety. The Reds, seeing what an easy snap they had, eased up and allowed a run to score on errors. Hale, seeing there was now no chance of shutting the visitors out, eased up and let them have three hits in the ninth. Port Haron was never even near scoring till the eighth, when Barrett got to first on O'Connell's error, stole second and third and scored on a passed ball. Hale, however, did his part in this innings, striking out three men. In the ninth Connor led off with a two bagger, Hart got a base on balls, Eltom singled, scoring Chatham had an easy time of it yesled off with a two bagger, Hart got a base on balls, Eltom singled, scoring Connors. Long was quite effective till the third, when Chatham took a batting streak and scored five runs. This ended the scoring of the home team, although in the seventh they had three singles and a two bag-bagger. Umpire-Popkay: Time, 1.30; THE LEAGUE IS STILL O. K.

News mongers are busily engaged these days in filling the newspapers with reports concerning the unstability of the International Biseball League, and Port Huron and Grand Rapids are the clubs booked as early

In reference to the reports The Planet this morning interviewed Manager Connors, of the Port Huron club, and received an emphatic denial of them

"It is true we are in a sadly crippled playing condition," he said, "but rumor's that the club is about to disband are without foundation. We expect four new men to join us at home tomorrow and the team will be materially strengthened at once. Port Huron will be in the game just as long as ron will be in the game just as long as any of them."

Discussing the situation the Chatham directors do not anticipate the immediate dissolution of the league. If disbandment occurs, the Grand $R_{\alpha_{ij}}$ is and Port Huron clubs would be dropped and the league continued. Woodstock is anxious to break into tinued. Woodstock is anxious to break into the game and if necessary a Canadian league could be formed. The Chatham club is reported in a satisfactory condition financially and if the forthcoming holiday games pan out as anticipated will be in a comfortable position for the present. Muskegan is anxious to replace Grand Rapids but whether the league will deem it wise to make this change is a question At any rate, The Planet is informed by the directorate, that the fans here need have little concern at present regarding the local club.

Previous to the hour for the commencement of the exercises, 2.30, a large gathering of parents had assembled to witness and eulogise the pretty manoeuvres, sweet songs and delightful games of the little folks, who did credit to themselves and their capable teachers. Over sixty little students took part in the delightful exercises. They consisted of charming marches, accompanied by appropriate songs, illustrated by the actions of those taking part, and concluded by a series of exceedingly interesting games. The entertainment reflected much credit, not alone upon the students, but also on their energetic and accomplished teachers, Misses L. Green, Eva Schwemler and Mildred Turner.
