A Former Kings County Man Honored

THE ACADIAN has received a copy of the Milton (Mass.) Record of Nov. 8th, containing an extended account of a dinner given in honor of Mr. John Swift, a native of Horton. Mr. Swift, who is now sixty-nine years old, went to Milton as a boy and entered the employ of the Walter Baker & Co. chocolate mills. The dinner was given on the occasion of the completion of fifty years service with that institution. Mr. Swift has been at the head of one of the most important departments. On the occasion of his golden anniversary he was presented by his fellow workers with a handsome watch-chain and charm combining the emblems of the Masons and Odd Fellows, of both of which orders Mr. Swift is a member, and a beautiful diamond pin and a bouquet of roses. Mr. Swift has for many years been prominent in civic affairs in Milton, and has served the town frequently and well in various offices and upon numerous committees. He has been for many years a reader of THE ACADIAN thus keeping in touch with his home community to which he pays frequent visits. We beg to tender our congratulations.

Costs Money to Feed Passengers.

The Mauretania, as a consequence of the longshoremen's strike at New York, says a London dispatch, took thirteen days to do the trip from New York to Plymouth, having to call in at Halifax for coal. As a result nearly 2,000 passengers, whose fares are based on a five day voyage, had to be fed by the company free of charge for nearly eight days. Officials estimate that during the eight days' free board the passengers and crew consumed 40 oxen, 10 calves, 120 sheep, 60 lambs, 2,000 chickens, 90 geese, 360 ducks, 150 turkeys, 120 pigs, 200 pheasants, 400 pigeons, 250 partridges, 250 grouse, 800 quail and 200 snipe, to say nothing of 50 turtles, 70,000 eggs, 8,000 pounds of fish, 200 boxes of lemons, 80 kegs of butter and 300 barrels of flour.

At the recent annual meeting of the Grand Division of the Sons of Temperance Mr. N. W. Eaton was elected Grand Worthy Associate. It was decided to hold the quarterly meeting in May next at Canning.

Kings County Subscribes Over \$900,000 to Victory Loan

WOLFVILLE WINS FLAG AND TWO CRESTS

The 1919 Victory Loan Campaign which closed on Saturday was a great success. \$300,000,000 was asked for in the whole Dominion and over \$600,000,000 was subscribed. Of this amount over \$52,000,000 was subscribed in Nova Scotia, every county in the province exceeding its allotment. Kings county subscribed \$930,950, which was \$381,000 more than was allotted to the county, and over \$86,000 more than the county subscribed last year.

Wolfville did splendidly in the last week and brought its total up to \$209,500, winning the Prince of Wales' Honor Flag and two Crests. Following are the amounts subscribed in the different districts of the county:

Wolfville	\$209,000
Gaspereau	47,350
Grand Pre, Hortonville, etc.	27,500
Greenwich	8,800
Port Williams	39,500
Canard	18,700
Canning	23,450
Pereau, Kingsport, Scotts Bay	12,250
Kentville	195,250
New Minas, Canaan, Highbury	18,400
Ward 3	20,000
Ward 4	51,000
Berwick	64,100
South Berwick	26,200
Waterville, Cambridge	20,800
Grafton, Somerset, Weston, etc.	25,900
Aylesford	10,150
Kingston	49,300
Millville, Greenwood, Morrystown	16,850
Sir R. L. Borden's Subscription	25,000

The following places won the Princes' Honor Flag (the figures in brackets being the number of Crests won): Wolfville (3), Gaspereau (3), Grand Pre, Greenwich (1), Port Williams (4), Canard (2), Canning (1), Scotts Bay, Kentville (2), New Minas, Highbury, Ward 3, Ward 4 (5), Berwick (6), Grafton (1), Somerset (1), Weston, Burlington, Waterville, Aylesford (2), Kingston (2), Millville-Morrystown district.

"Extracts from a Chaplain's Experiences with the Canadian Corps" will be the subject of an address given by Rev. J. H. MacDonald this (Friday) evening at the Baptist church, under the auspices of the "Social and Benevolent Society." There will be special music by Miss MacDonald and other local talent.

Kings County Memorial Hospital.

The County Memorial Hospital is a topic of the utmost interest to each and every citizen of Kings. To build a substantial memorial of wood and stone to our fallen heroes is but the natural way of expressing our love and gratitude to those who will never return. They have gone from us forever, and we cannot add further lustre to their names, but we can perpetuate the high ideals, the spirit of freedom and democracy, for which they gave their lives. Could we commemorate their sacrifice in a more fitting way? A building where rich and poor alike receive the healing touch, where pain is changed into peace, where skillful treatment and advanced surgery can ward off dread disease.

A modern rural hospital centrally located, within reach by train and by motor of the farthest corner of the county, will be an estimable boon to each inhabitant. A few cents more from each taxpayer and we have assured the equipment and maintenance of a splendid asset—a general hospital.

As a county we have wealth and intelligence above the average, but yet we lag behind in our public institutions.

Antigonish county boasts a hospital of 76 beds, which are always filled. Our need is equally as great. Instead of being forever in an apologetic attitude toward our lack of consolidation of schools, our lack of hospital, and our

lack of a Home for the epileptic and mildly insane, we should take pride in procuring these institutions and maintaining them at a high rate of efficiency. We have the money. Nature has given us a productive soil and a bountiful crop of fruit. Kings county people have plenty and to spare and the best is none too good for them.

In former days sickness was kept at home, but now with the scarcity of help and with the limited equipment of the home for illness, much better results are obtained at a hospital and with the further development of scientific methods and with the building of modern hospital plants, readily accessible, this practice will continue to increase. Let us rally to this undertaking. The purpose and aim of the Memorial Hospital are the noblest and the need is unquestionable.

Let our watchword be Forward and Onward and let there be no quibbling but a strong pull and a pull altogether.

The Football Protest

The protest made by the U. N. B. team at the recent football game here, because Acadia replaced an injured player, has been granted and the game will have to be replayed. It will probably take place on Tuesday next on the campus here. The U. N. B. demanded that the game be played this week and that they be given seventy-five per cent. of the gate proceeds. Acadia is not inclined to listen to the modest proposal and so exact details are not yet available. Meanwhile the game will no doubt be an interesting one when it comes off.

Apple Shippers Meeting at Kentville

The Apple Shippers' Association, composed of the principal shippers in the Valley, with Mr. W. H. Chase as President and Mr. Herbert Olyer, Secretary, met at the offices of the United Fruit Companies at Kentville, on Monday, Nov. 17th. The special object of the meeting was to make an effort for a reduction in the ocean freight on apples. It was pointed out that with apples selling on the British market, around 20 shilling per barrel, the entire results were being absorbed by the steamship and railway companies.

Messrs. W. H. Chase, A. E. McMahon and Herbert Olyer were appointed a committee to deal with the matter of a reduction in freight rates and if the present carriers were unwilling to reduce the rates it was considered advisable to charter outside steamers to carry the apples.

Clean The Furnace--Soot Wastes Heat

Soot has an important bearing on the conservation of heat. While much has been said and written regarding the necessity for economy of fuel, this question of soot, equally important from the householder's standpoint, has been rather overlooked. Since the coal supply is absolutely essential that the maximum quantity of heat obtainable from the fuel be utilised. An examination of many heating systems shows that

have been permitted to remain deposited on the interior surfaces of hot-water furnaces, preventing the heated gases from the fire-pot from accomplishing their duty of imparting the ultimate amount of heat energy to raise the temperature of the water in the boiler.

The Boston Globe describes as distinctly humorous a suggestion of Sir Andrew MacPhail, advocating a new boundary line between Canada and the United States that would give the northern part of Main to Canada. And yet is not the argument in favor of Dr. MacPhail's suggestion as strong as many that are being made the basis of European peace decisions?

Dalhousie Defeats Acadia in Fast Game

ACADIA'S SECOND TEAM WINS

Dalhousie won the Amateur Football Championship of the Maritime Provinces by defeating Acadia at Truro on Tuesday. The day was ideal and a large crowd witnessed the game, special trains being run from both Wolfville and Halifax. After five minutes of play Lilly scored for Dalhousie by kicking a goal from the forty yard line. One minute before the period closed Dalhousie made a touch which was converted, making the score 9 to 0. Acadia did not have the advantage of the wind in the second period as by that time the wind had completely died down. Acadia made several desperate attempts to score but without avail. Parker made two brilliant twenty-five yard runs. Johnson made a beautiful forty yard gain but was tackled. Just before the whistle blew Dalhousie scored again but failed to convert. The game ended 12 to 0 in favor of Dalhousie.

After the game Acadia's second team defeated Dal's second team by a score of 3 to 0.

Wolfville Boy Marries in the West

On Wednesday morning, Nov. 12, Miss Isabel St. Claire Chambers, of New Glasgow, niece of R. E. Chambers, Esq., of the Nova Scotia Steel and Coal Co., was married to J. Russell Archibald, sales manager of the Cadillac Motor Sales Co., Rev. F. W. Patterson officiating. The bride was given in marriage by her father, R. E. Chambers, who with Mrs. and Miss Chambers, of New Glasgow, has accompanied her to the West.

Mrs. C. D. Chambers was matron of honor and the bridegroom was attended by C. D. Chambers, of Winnipeg. The bride wore a suit of navy blue serge with an embroidered waist of cream georgette and a corsage bouquet of Ophelia and Columbia roses. After the ceremony a wedding breakfast was served in the brown room of the Fort Garry hotel. The table was decorated with white and lavender chrysanthemums. The following were guests: Mr. and Mrs. C. D. Chambers, Mr. and Mrs. W. J. McLaughlin, Miss Margaret McLaughlin, C. L. McLaughlin, Mrs. and Mr. Leonard, (Pres. the Cadillac Motor Sales Co.)—Winnipeg News.

Mr. and Mrs. Archibald will make their home in Winnipeg and at present are the guest at the Alexandra Hotel.

Mr. Archibald is a son of Mrs. R. deWolfe Archibald of this town.

The musical comedy "My Soldier Girl," which was presented at the Opera House on Tuesday evening brought out an attendance which crowded the house. The performance was a good one and was well received. The costumes were pretty, the music bright and tuneful and the jokes good. The company numbered thirty-five people.
