

evidence of what we say, the copy can be seen by any person at our office. We regret the mistake as regards Mr. Goldie, because there was not the slightest intention to misrepresent him. Our great concern now is to find out the thief who stole the copy of the circular from this office. We are taking steps to have the matter investigated, and should it be brought to the door of any one in the office, his instant dismissal will be the reward of this gross breach of confidence.

**Dr. Herod on the Stamp.**  
We commend to the attention of our readers the violent remarks made by Dr. Herod at the meeting at the Junction Hotel on Friday night. If Mr. Goldie is going to serve his cause by such political ruffianism as Dr. Herod has shown, then we very much mistake the temper and intelligence of the people of this Riding. In Dr. Clarke's worst days he never could attain the length that his old pupil, Dr. Herod, reached on Friday night, and even the chairman, who can stomach a good deal from an old Tory like Dr. Herod, seemed to be ashamed of him and his wild harangue. It was altogether a pitiable exhibition of Tory spleen and hatred, and as insulting as it was uncalculated for. We rejoice to think that no man on the Reform side has sunk so low as to put himself on a level with Dr. Herod, who on Friday night exhibited some of the worst passions that could fire the heart of a political factionist.

**CONTRADICTION.**—It is reported that Mr. Geo. Hood, at the Centre Inn meeting on Friday night, stated that Mr. Guthrie had before the Convention written to Mr. Duncan McMillan asking his support. It is untrue. Mr. Guthrie simply wrote Mr. McMillan contradicting the rumour which had got abroad, that he would not be a candidate. He merely stated that he was in the hands of the Convention, and that it nominated he would run.

**South Wellington Election.**  
To the Electors of the South Riding of the County of Wellington:  
GENTLEMEN.—Having been unanimously chosen by the large and influential Convention of Reformers lately assembled here, to be the nominee of the Reform Party at the approaching election for the House of Commons, and having accepted that nomination, I beg to offer myself a candidate for your suffrages.

**South Wellington Election.**  
To the Free and Independent Electors of the South Riding of the County of Wellington:  
FELLOW ELECTORS.—At the urgent solicitation of a great number of the Electors of this Riding I have consented to become a Candidate for the representation of the South Riding of Wellington, and solicit your votes, influence and support in the coming contest.

**South Wellington Election.**  
To the Free and Independent Electors of the South Riding of the County of Wellington:  
FELLOW ELECTORS.—I am now, as I always have been, a Reformer in politics. I took no part in the Convention lately held, and therefore not in any way committed to its action, although I would have been happy had the nominee of the Reform Party been a Reformer. I deeply regret that I cannot support one who, though a fellow townsman and political friend, does not see the necessity of pledging his independent efforts for the re-adjustment of the tariff for the encouragement of the own industries and the development of our own resources.

**South Wellington Election.**  
To the Free and Independent Electors of the South Riding of the County of Wellington:  
FELLOW ELECTORS.—I have always been in favor of, and will support any motion or bill that will promote the prohibition of that traffic. If I, elected as your representative, maintain an independent position in the House, but will cordially support the present Government in all legislation that I may consider advantageous to the country. Committing myself into your hands, I am, Yours respectfully,  
JAMES GOLDIE.
