UNGODLY TO WEAR A BUSTLE

LITTLE FALLS, N. Y., Jan. 31 .- On December 5 last, there was a grand hallelujah wedding in this village, at which advantage in cases of Phthisis, Scrofula Captain Eric Von Alexson and Captain Polly Bryan, of the Salvation Army, were married. They had a big procesgenerally. Polly was buxom and fair to Polly is now in disgrace, and the cause of that disgrace is her bustle. Capt. United States and Canada.

General T. D. Moore, commander of of introducing upon the land by the Salvation Army in the United States means of purchased seeds the seeds and Canada, in a letter to Polly's hust of weeds and parasites. The most band, explaining his action in the matter,

"I do not think your wife at all in a A th'rd source was the encouragecondition to lead others away from the ment of weeds, of which the most world and sin, and must say I am aston- common species were grown at imished to think that you could uphold an Minister-" Ah, don't you know it's officer, though she be your wife, to dressing herself in a manner that Mrs. Alexson did. She was kindly reproved and shown the wrong, but persisted in wearing a bustle on her back that disgusted every decent person, and I say in sincere He-One who knows how to keep off godliness I cannot send her to another station. Hoping you both may see the wrong of this, I am, with sorrow, yours forever for Jesus' sake." Captain Alexson and his wife Polly intimate that there has been some very

crooked work in the Salvation Army and that they will make it hot for General Moore before they get through with him.

"It is my impression," says Char-

les Dudley Warner, "that a farm

without a boy would very soon come

to grief. What a boy does is the life

Karm and Household. A BOY ON A FARM.

of the farm. He is the factotum, always in demand, and always expected to do the thousand and one things that nobody else will do. Upon him fall the odds and ends, the most difficult things. After everybody else is through he is to fluish up. Remarks one would rather have left His work is like a woman's-perpetually waiting on others. Everybody knows how much easier it is to cook a good dinner than to wash the dishes afterward. Consider what a boy on a farm is required to do-things guarantee it. Sold by E. Lee Street. We that must be done or life would the most practical remedies for these actually stop. It is understood, in the first place, that he is to do all the errands, to go to the store, to the post office and to carry all sorts of messages. If he had as many tion in agriculture. legs as the centipede they would tire before night. He is the one who spreads the grass as the men cut it : he stows it away in the barn : he rides the horse to cultivate the potatoes up and down the hot weary rows; he picks up the potatoes when they are dug; he brings wood and water and splits kindling; he gets up the horse and turns out the horse. Whether he is in the house or out of the house there is always something to do. Just before school in winter CATARRH CURED, health and sweet he shovels paths; in the summer he turns the grindstone.
