A LAW

(L. S.) In amendment of a (COPY,) Law relating to Public JEO. F. GREGORY Wharves, Landings, Mayor. and Anchorages. Be it enacted by the Mayor, Aldermen are commonalty of the City of Fredericton

The owner or person having charge of any raft of logs, deals, or other lumber, or raft londed with any articles or any raft of any description shall, when the same shall arrive at any public wharf or landing witnin the City, pay the sum of seventy cents to the Wharfinger and Harbour Master; and if any such raft shall remain at any such public wharpes or landings for a longer period than twenty four hours at anyone time, the owner or person having charge thereof, shall pay to the said Wharfinger or Harbor Master, the sum of forty cents for every day (sundays excepted), such raft shall remain over the said twenty-four forty cents for every day for or person having charge shall neglect of where or person having charge shall neglect to pay any such sum on demand by the Wardinger and Harbor Master, he shall for every such refusal, or for every day he shall so neglect to pay, be liable to a penalty of one dollar.

Passed and enacted this 7th day of May, A. D, 1879.

(signed,)

(signed.) CHAS. W. BECKWITH, City Clerk.

A LAW

(L. S.) In addition to and in ammendment of the GEO. F. GREGORY, Several Laws relating Mayor. to the Fire Department Be it enacted by the Mayor, Aldermen and Commonalty of the City of Fredericton as follows:—

1. There shall hereafter be established in the City of Fredericton, under the control of the Fire Department of the said City, one Hook, Ladder, and Axo Company, and also one Fire Protection Company, each of said Companies to consist of not firest than fourteen men; but such companies may, however, by Bye-Law of the Companies mails be paid for their services each year by the respective Captains, who shall receive from the City Council the sum of sixty do lars, on or about the first day of May annually, for such purpose, to be divided by the said respective Captains in proportion to the services rendered by the several members.

2. The Captains of the said Companies shall be appointed by the City Council, and shall be respective to the City Council, and shall be respective to the City Council, and shall be respective to the City Council in the same way and the same extent as Captains of Engine Companies are now responsible by law.

3. It shall a prove the city of the officers and men of the Hook Ended and the first of the first of the city Council in the same way and the city of the officers and free with their apparatus, and by the erection of their ladders and by mean of the first of the provision of the same captains of the removal of buildings, and other inflammable actions of property so removed and in maintain rection of property so removed and in maintain rection of the Chief Engineer in preventing posed, and to prevent plundering by all means in their power.

5. The said Companies as herein constituted stall, except as hereby provided here.

osed, and to make the formula of the power.

5. The said Companies as herein constituted strail, except as hereby provided, have the same powers and privileges and be subject to the same kinles, Bye-Laws and Regulations a other Fire the same than the same Gompanies.

6. All property owners or tenants are hereby required before the first day of June in each year, to remove or cause to be removed from the roof or roots of the house or houses and buildings owned or occupied by them all moss, or other inflammable accumulations that may cause danger from sparks dropping thereof, or otherwise; and the provisions of a faw intituled "A Law in further amendment of a Law to regulate the Five Department," passed 7th Mry, A. D. 1878, so far as relates to the proceedings against persons neglecting or refusing to comply with the provisions thereof, shall be applicable to the owners or tenants of buildings neglecting or remains of the first inspector shall the control of the provisions of this Saw, and the Fire Inspector shall searched out, as soon as possible after the passage thereof.

arried out, as seen as post of a Law to regulate the first post of a manner of a Law to regulate the first post post of an analysis of a Law to regulate the first post of any and all other laws regulating or so made of any and all other laws regulating or relating to the First Department as are inconsistent with this Law be and the same are hereby THOS. LOGAN, Passed and enacted this 7th day of May. A. D.

of these RAKES were in use in New Brunswick during the season of 1878 and the entire cost of repairs sold or given by us to repair breakages did One Cent for each Rake.

For perfection of work, ease in management, and simplicity and thoroughness in construction, they are now, as they ever have been, THE STANDARD by which to judge the merits of all other rakes.

has for twenty-two years held its position as the leading Mower in all the hay-making districts of the world. Its principles of construction are acknowledged to be superior to all others, as proved by the leading manufacturing establishments in the line, adopting its system as fast as the expiration of patents will permit. Its average durability is double that of others, and the cost of keeping it in repair much less than one half.

The price will be kept as low as the National Policy will permit.

The FORMER HIGH STANDARD of excellence in material and work-manylin of the

Cossitt Buckeye Mower! WILL BE MAINTAINED. Every Rake and Mower fully warranted. For sale by agents in every County in the Maritime Provinces.
