THE BIG FURNITURE STORE.

WE are now showing the very latest amusement for children in the  
shape of a **DOUBLE PATENT SWING**—the first of the kind to  
be made in the country. It is adjustable and can be used in or  
out of doors, set up in 5 and taken down in 2 minutes. Just the thing  
for the country during the summer months.

The beauty of this Swing is that it requires no exertion whatever to  
put it in motion, you sit in and the Swing does the rest. Just call round  
and see the one we have on exhibition in our Western Window. It will  
cost you nothing and we will be pleased to demonstrate how it works and  
give any other information free. **PRICES RIGHT.** jy15,10
