"A Household Word."

The Emerson Piano

has become a household word in Newfoundland and stands as a synonym for all that constitutes a musical and enduring Piano-forte.

CHARLES HUTTON,
Sole Agent Newfoundland.

N. B.—Within the last few months I have played on Emerson Pianos that were bought here 25 and 30 years ago, and with the exception of a small portion of the centre, which was a bit worn, the Pianos were practically as good as the day they were sold.

Easter BACON

It is not the intention or desire of the W. P. A. or Food Control Board in advocating the restriction of the use of Bacon to ask you to do without this satisfying foodstuff altogether. It is merely a request to "let up" on your usual consumption to some extent in order that war stocks may accumulate for the Allies. Realizing the fact that most of our customers would find it

A Great Hardship To Do Without Our Delicious "Berkshire" Bacon Entirely,

we imported a small shipment to-day and are fully prepared to fill your Easter order promptly, and at Lowest Prices.
