AMERICANS AND MEXICANS CLASH.

NOGALES, Ariz., Aug. 27. One American officer fell fighting in the streets of Nogales late to-day; one civilian was killed, another officer seriously wounded, and between ten and twenty American soldiers killed during a skirmish, which took place along the International Avenue between American troops and Mexicans, in Nogales, Sonora. Casualties on the Mexican side of the border were not known to-night, but it is estimated that one hundred had been killed, and at least a number of civilians were wounded. The fighting followed the alleged efforts of a Mexican customs officer to smuggle a fellow countryman across the border in to the United States.

An official announcement of the casualties in the fighting between American and Mexican soldiers here late to-day said that two Americans—one officer and one man—had been killed in action, and twenty-nine officers and enlisted men wounded. One civilian was reported to have been wounded.

HARD FIGHTING AT CROISILLES.

LONDON, Aug. 27. At Bapaume the New Zealanders after fierce fighting, established themselves in the northern outskirts of the town. Further north English troops progressed toward Noyon. We have had hard fighting about Croisilles. On the right of the battlefield the Australians continued their advance astride the Somme and made substantial progress towards Dompiere and to the east of Suzanne. On the left of the battlefield the Canadians yesterday captured the ridge to the east of Wancourt, and established themselves to the east of Guemappes, north of the river Scarpe. Scottish troops renewed their attack last night and they have made substantial progress toward Ploevain. Prisoners taken since the morning of Aug. 21st exceed 21,000.

ADVANCES BY CANADIANS.

LONDON, Aug. 27. Canadian troops made notable advances south of the Scarpe River to-day, according to Field Marshal Haig's report, occupying Chorsy Vis En Artois and the Bois De Sart, taking many prisoners. Scottish battalions also made excellent progress.

MILL DESTROYED.

Annual Collection for Belvedere Orphanage.

As was announced from the altars on Sunday last, the annual collection for the Belvedere Orphanage will be taken up at all the Catholic Churches at all the Masses on the Sunday next for the benefit of the orphans. It is to be hoped that there will be a hearty response given to the appeal of the good Nuns for the support of the large number of parentless little ones who are entrusted to their care. The Orphanage of Belvedere is amongst the most deserving charitable institutions we have amongst us. The good ladies who are in charge of these helpless little ones are deserving of every assistance and encouragement. They are devoting their whole lives to the bringing up and education of these orphans, and at times they are sorely tried to meet the pressing demands of supplying the numerous wants of the institution. We are told that "he who gives to the poor lends to the Lord," and we trust our Catholic fellow-citizens will remember this on Sunday next, and give freely and generously of their abundance. Now that all conditions of our people are fairly prosperous it is to be hoped that the collection of Sunday next will be a record one in the history of the Belvedere Orphanage.

Garden Party.

Yesterday's Garden Party, held at Pictrook, proved a great success, a large number of people attending. Rev. Fr. Pippy had made every possible arrangement for visitors and all thoroughly enjoyed themselves. Owing to the heavy swell and the rough state of the water the John Greaves could not take out the passengers as intended and consequently the dory races did not take place. The T. A. Band was in attendance and rendered many splendid selections which added to the enjoyment of the day.
