FIRST ANNUAL SPORTS AN UNQUALIFIED SUCCESS.

The first annual sports of the Newfoundland Motor Association, held yesterday afternoon on the north side of St. John's, attracted quite a lot of attention. The events were closely watched. There was quite a number of spectators and not the slightest accident occurred. The arrangements for the safety of spectators were excellently carried out and those who were present spent an enjoyable evening watching the wind raised a cloud of dust as the cars passed along. The Hill Climb test and Motor vs. Pony Race were watched with the greatest interest. The former was spectacular, the latter at top speed climbed the rough road west of Pleasantville. The turns were short requiring the driver to negotiate. The Hill Climb and Speed Test were run to the satisfaction of all present. The results of the tests were as follows:

PONY VS. CAR.
This was an amusing race, some eleven cars competing for the honor of racing the pony. Mr. Errol Munn won out and his Jewett was left to chase Nolan's pony which won the Killarney Derby early in the season. In the final dash, the pony beat the car. The regulations were ably carried out on foot and to Superintendent O'Neil much credit is due for the manner in which the officers performed their task. The Sports Day Committee consisted of Joseph Cocker, Leslie Marshall, R. G. Silverlock, Thomas Soper, P. B. Outerbridge, Thomas Soper. The time keepers, judges, and other assistants performed their duties in a manner which gave entire satisfaction. The M. G. which was present during the afternoon rendered some very pleasing selections which added much to the day's enjoyment.
