## Harbor Grace Notes.

The death of Harriet, relict of the late Mr. Joseph Godden, occurred at her home, Water Street, East, on Friday of last week, at the good old age of 84 years. The funeral was held on Sunday last to Christ Church, and was very largely attended. Interment was made in the C. of E. Cemetery. One daughter, Mrs. W. Wood, of St. John's, and two sons, Messrs and Ernest Godden, of this town, are left behind, to whom we offer our sympathy in their hour of bereavement.

Mr. McGrath, representing the New York Cordage Co., was in town during the week.

Mr. Walter Sellars arrived by the Pawnee on Saturday, and spent the week-end here, and returned to the Island again on Monday.

Mr. L. T. Chafe, who has been undergoing treatment at the General Hospital, St. John's, arrived home again recently. Mr. Chafe is much improved, his many friends are glad to note.

Mr and Mrs. E. S. Spencer, of Bell Island, have been in town during the week.

Miss Ida McRae, who has been in the city for the past two months, returned to town again on Thursday night last.

We are pleased to learn that Mr. Frank McRae, who has been undergoing treatment at Sudbury Hospital, St. John's, has now greatly improved, and will shortly be returning to town again.

Dr. Cron, who has been confined to his home for a week, suffering from a septic hand, caused by infection received during his professional work, is able to get out again, and attend to some of his practice. We wish him a speedy return to his former good health.

Misses Gladys Russell, and Mary Whiteway; Messrs. W. J. Bartlett and C. R. Russell, all of Bay Roberts, paid a brief visit here on Tuesday, and returned again by car the same evening.

Miss Muriel Pike, of Wabana, spent the week-end here, and left for the Island again, by the Pawnee, on Monday.

Schrs. Dixmude and Tulip, have been on dock here for painting, etc., and have left port again.

Mr. and Mrs. Norman Hatcher (Nee Miss Hettie Yetman) goes out by tomorrow morning's train en route to Montreal, where they will make their home in the future. Mr. Leander Hatcher is also leaving the same time for Montreal. We wish they prosperity in their new home.

Capt. Charles Webber, who spent the winter months here with his mother, Mrs. George Webber, and friends, leaves on Friday for Halifax, to resume his work.

A meeting of the business people is being held this evening, when the matter of the usual weekly holidays, for the summer months, will be discussed.

Mr. C. E. Russell, of Bay Roberts, was in town to-day.

Politics have made a bit of a stir here this week, and the line-up of both parties is now awaited, when the political fight in earnest will begin.

## Safeguard Clerks' Rights

Editor Evening Telegram

Dear Sir.—On looking over the Morning News, I read with interest the advertisement of the Importers' Association. I notice that the stores will close at 6 p.m. until Oct. 1st. After that, what? Does this mean that the stores are to be open for three months night work? In my opinion this is a step backward, as the last few falls have amply proved that opening in the nights is unnecessary. If this is put in force the clerks should organize and see that their rights are safeguarded and that proper working hours are enfoced by Legislation. In this county, the clerk is at the mercy of his employer, who can order him to come back to work at any time after regulation hours without extra pay. This should not be. If a clerk's hours are from 8.30 to 6 p.m., he should be able to please himself after that. These are matters that can only be remedied by the formation of a Union, and the sooner one is formed the better; as in some cases, rules are made by a bare quorum of the Importers' Association. Trusting this mater will not be allowed to drop.

Yours truly,

EXPERIENCE.
