

Baseball Good Work by Calgary Team : League Meeting : Football Old Country League Games

WILL CARNEY MADE SEATTLE GO HARD

Lost Games On Saturday and Sunday By a Single Run. Ten Innings Game Sunday.

Mr. William Carney has certainly got some ball team, as was shown in the two struggles which he had with Seattle, champions of the North Western league, on Saturday and Sunday.

The Saturday Game. Seattle, Wash., April 16.—Calgary's baseball team, under the leadership of Bill Carney, showed up in great style today against the Seattle leaguers, and Seattle felt happy to get the long end of a 4 to 3 score.

The Sunday Game. Seattle, Wash., April 17.—It took Mike Lynch's turks ten innings to defeat Bill Carney's Calgary Huskies this afternoon.

The good weather brought a large crowd, and they pulled hard for the foreigners. Outside of one inning, the play was good, in some instances brilliant.

Seattle had two on bases in the ninth, but sharp fielding and good pitching by Manning retired the side.

Calgary could not do anything with Zackari in the tenth, and in the last half of the inning Johnson tapped a safe one to left, stole second and scored when Dugan was a trifle short.

Seattle scored the three in the second as follows: A pass, Frits's single and an error by Manning filled the stacks.

A meeting of the Calgary Athletic club limited, will be held this evening in Secretary Headman's office.

These symptoms show that your stomach is the trouble. To remove the cause is the first thing, and Chamberlain's Stomach and Liver Tablets will do that.

Ball News From The Home Plate

Deacon White spent a few hours in Calgary Saturday on his way from the coast, and while Deacon admits that Bill Carney has gathered together a star aggregation to represent this city, he has already grabbed up a few new ones.

On the coast, Deacon says, they figure Bill Carney's outfit a strong one for a league of this class, but that there are other teams to be feared.

Zwickler will hardly get a place on the team by all accounts, as Hamilton has already grabbed a new first sacker, Cy Bennett and a part of the team are already in Spokane working out at Natatorium park from report.

Deacon White not being successful in signing up Whelan, the Seattle catcher, has got a man equally as good in Brooks, who is now training with Spokane.

The Calgary Lacrosse club has arranged for practice from now on, every Tuesday and Thursday evening and Saturdays.

Today is the last chance for the Junior clubs to form a Junior league.

On Saturday afternoon the local team had a good swift workout at Victoria park and quite a few fans were on hand to look them over.

After the international football match at Hillhurst tomorrow evening the Hillhurst club will provide refreshments at their club house for the players and members of the club.

Shuster Will Not Umpire. Lethbridge, April 17.—In view of the objections raised by Winnipeg and Regina against the appointment of Shuster on the staff of the Western Canada League President Eckstrom has decided to let this man out and in his place appoint Charles Smith, who has been highly recommended in many quarters as a competent handler of the indicator.

The following are the scores for the week ending April 16, F. Kaye winning in class A, and J. G. Innes in class B.

Table with columns: Name, Mon, Thure, Total. F. Kaye, A. Storarr, W. McKenzie, F. W. Herring, E. S. Selas, A. Martin, R. W. Chamberlain, H. A. Ford, W. Pearce, A. R. Carmichael, H. A. Crofton, Sergt. Mal. Page, A. Ramsay, J. G. Innes.

HILLHURST WILL HAVE A TEST MATCH TONIGHT

English and Scotch Members Will Play a Friendly Game.

Tomorrow evening the Hillhurst Football club will play a trial football match between English and Scottish members of their club.

The international match is already creating considerable enthusiasm, as both will have a big following.

London, April 16.—The following are results of football matches played in the Old Country today:

Bradford City 1, Nottingham Forest 1; Bristol City 1, Chelsea 1; Burnley 2, Leicester Fosse 0; Glossop 1, Derby County 0; Leeds City 3, Grimsby Town 1; Lincoln City 2, Barnsley 1; Oldham Athletic 5, Clapton Orient 0; Stockport County 2, Bradford 1; West Bromwich Albion 0, Blackpool 2; Wolverhampton Wanderers 6, Gainsboro Trinity 0.

Local Horse Notes. The Calgary Turf club has decided to affiliate the running races under the Ontario club.

Three thousand dollars in prizes will make a big prize list and should be the means of making the two days on the 24th and 25th of May one of the best meets ever held in this city.

The proposed Alberta racing circuit, as suggested at the meeting last Friday will be a great thing if organized.

There has already been talk in the south of a circuit to include Clareholm, High River, Staveland, Gramma and Macleod.

Another circuit similar to the 1907 season would be the best. Meets started at Calgary and took in the towns as far as Edmonton, one after another.

The resolution passed by the Turf club that two or more horses from any one barn can enter the meet on the 24th and 25th was a good one.

The American Trotting association rules state that only one horse from any one barn can enter.

Secretary William Stuart, the newly appointed secretary of the Matinee club, expects to get busy on the matinees, and arrangements are being made to hold matinees on April 20, May 7, 14 and 21, which will help condition some of the horses for the big 24th meet.

Geo. Hong stated yesterday that the track at the park was in very poor shape, and was at present unfit to work horses on.

The meeting of the Turf club Friday evening at the Empire Hotel was well attended and a large amount of business was transacted.

Ponies will be allowed to enter the running track on the 24th and 25th of May, providing they carry weight for age.

Every family and especially those who reside in the country should be provided at all times with a bottle of Chamberlain's Liniment.

Drugs and medicines are sold by all druggists.
