Ned dropped his head upon his breast and fell into troubled musing. The situation seemed a desperate one A. W. Chase, the famous receipt book But he was young and full of courage and ready to venture everything to secure his liberty.

Presently he resumed: "If we could only come into port somewhere, or at least drop anchor near some port, I believe we could manage it. "How?" eagerly questioned his com-

"Well, in the first place, tell me, are you a strong, able-bodied man?" Ned and there is asked, bending toward the hole in the partit h for a look at his fellow-pris-'I have nerves of iron and muscles

of steel," was the brief but significant response. Good! Well, then, my plan would be this: One of the sailors comes to feed us three times every day-at least, I Eye and Ear Hospital declares that

"If we were at anchor, or in port, we could both get into the same room through this hole, and when the man came to bring us food, we could easily overpower, gag and bind him, and conceal him under the berth-But he would be missed," interpos-

ed Mr. Hunting.
"True; but the natural would be that he had gone ashore, with-out leave, for a lark. We could at-tack him at night, and his disappearance at that time would give that impression. This would, of course, enable us to get into the cabin, and after all was quiet for the night, we might reconnoiter to get some idea regardng the arrangement of the yacht, although I know the lay of the land pretty well already. Not more than man would be needed to watch on deck if we were in port, and after the sailors had turned in we could steal forth and lock them in their rooms. It would be easy enough then overcome the watch, and the vessel

'It all sounds very well, as you have planned it, my young friend, but it will doubt if it succeeds," Mr. Hunting marked, dejectedly. "Then, if we remarked, dejectedly. result would in all probability he fatal to us for these sailors are a reckless set, and would not itate to send us to Davy Jones' locker without a word of warning.

would be in our hands.

'Yes. I know that there will be great is far dearer, my honor, at stake. Twice The first time the officials gave me the benefit of the doubt; but, of course, they must believe now, since I have that I am criminally concerned in the vile scheme. I believe that this man Gould has had his eye on me for a long time. I believe that he has been connected with both robberies, and 1 The Austrian Government has recentceaied on board of this yacht."

WON AT GODERICH

Maplewood, Owned by "Bob" Reid, Captures the 2:22 Pace On Opening Day.

Goderich, Ont., July 13. — Fine weather and a good card brought out a tree crowd to see the first day's rac- ment trophy match were as follows: ther and a good card brought out a in the concluding day of the tournalarge crowd to see the first day's racing here today. The first race was won rather easily by Tim Alert, but champ, 25; F. C. Hord, 11. the 2:22 pace furnished fine sport and Finals-J. M. Best, 18; F. Finchamp out a license to ride. Then an enor-"I should not wonder," said his companion, with a start, "for there were certainly two men in the stateroom next to mine last night, and they moved about in a stealthy way, as if they were up to some deviltry."

"Well, Mr. Hunting, I intend to make a desperate fight, if you will help me, "First race, 2:50 class, purse \$250.

"I should not wonder," said his companion, with a start, "for there were contests, seven heats being necessary to decide the winners. Darky, owned by J. Swartz, of Wingham, in an endeavor to lower the half-mile track record, 2:11, made by Capt. Sphinx, negotiated the mile in 2:11½.

venient friend in treating injured horses, cattle, etc., or relieving them when attacked by colds, coughs or any kindred ailments to which they are subject.

How exclusive it is may be judged from the fact that the club is not near-live so strong numerically as it was munication was passed on Mr. Sievier. Growers of the famous Rockford cantaloupe at Rockyford, Col., report an average net return of \$150 an acre for the season of 1903.

The Austrian Government has recently adopted a mixture of powdered ly adopted a mixture of powdered aluminum and nitrate of ammonia as all died within the last six months or all died within the last six months or all died within the last six months or a bursting charge for projectiles. a bursting charge for projectiles.

JOCKEY CLUB OF OLD COUNTRY POSSESSES AUTOCRATIC POWER

All Who Follow Racing There -An Exclusive Club.

white man came to disturb his dreams, body which possesses autocratic power panied by a watchful policentan he is Club. All who follow racing there, permitted to go about the city at will either for pleasure or a livelihood, and do about as he pleases. Of his learn to dread its displeasure. It takes own choice he has donned white men's clothes and looks as neat as a Georgia a good deal to move this institution, which rules the turf with an iron hand, but once set its machinery in motion, has been used for over FIFTY YEARS by MILLIONS OF MOTHERS for their CHILDREN WHILE TEETHING, with PERFECT SUCCESS. IT SOOTHES the CHILD, SOFTENS the GUMS, ALLAYS all PAIN, CURES WIND COLIC, and is the best remedy for DIARRHEA. Sold by druggists in every part of the world. Be sure and ask for "Mrs. Winslow's."

Has been used for over FIFTY YEARS his cost—like the knife of the guillotine on the unfortunate offender, destroying him absolutely and entirely in so far as racing is concerned.

The Jockey Club is the most remarkable institution connected with sport in existence and, with the exception of the royal yacht squadron, it is proband it falls-as Mr. Sievier found to King, the Prince of Wales, the Duke inflexible as the laws of the Medes res- dition, there are 21 honorary members, They have also discretionary powers

so it is in no hurry to make any fur-

ther additions to its ranks. He must needs be a many-sided any trainer, jockey, agent or race man who would have a voice in the man who would have a voice in the parliament of the turf. Throgmorton street may speak with bated breath of greatly to it. Ayer's Hair Vigor is a hair-food. Lowell, Lowel

Its Displeasure is Dreaded by black balls will be placed against his name should he come up for election and not be personally pleasing to the majority of its members. The executive power of the Jockey Club is vested in three stewards-this year, the Earl of Durham, Arthur

James and Colonel E. W. Baird. They The recent American Derby lends neet from time to time, and are supinterest to some facts regarding the posed to attend all the eight meetings of the year at Newmarket, as well as in the United Kingdom-the Jockey Epsom, Ascot and Goodwood. These three legislators of the turf hold : position in the racing world that is unparalleled in any other branch of sport. They have alsolute power for good or ill over everybody and everything connected with the turf. Before now they have not hesitated not altogether above suspicion. George IV., when Prince of Wales, owing to a disagreement with the statement of the statement with the statement w

ly so strong numerically as it was half a century ago, although there is munication was passed on Mr. Sievier. Merion Club at Haverford, near Philable and the strong strong numerically as it was half a century ago, although there is twice as much racing and 20 times as jockeys who are under the control of the business to be attended to: and, the Jockey Club. The average racethough four of its members—the Duke goer who has never owned or ridden
