Thursday, May 25, 1905.

The mid-week market was very well attended by the farming community. The supply in the smaller lines was very light. The grocers and dealers had stocked up for the coming Saturday to again replenish their stock, consequently the amount of business was very trifling. Prices were about as quoted.

Grain—The supply of oats was large, nearly 35 loads being offered. Sales were small, at \$1.22 to \$1.25 per cwt. mostly at \$1.23 per cwt. A couple of loads of barley sold at \$1.02 per cwt. Several loads of rolled wheat went at \$1.65 per bushel.

Hay and Straw—Hay keeps coming in very freely, and much of the offerings is of inferior quality. Sales were slow at \$7.50 per ton; only a couple of the choicest loads sold at \$8 per ton. Straw is dull at \$5 and \$6 per ton.

Butter and Eggs—Butter was dull at \$14 and \$15 for cream, and \$16 for pound rolls. Eggs were firm at 14c for the basket.

Very few potatoes, apples or pears offered. There was no change in prices. Dressed Hogs—About 20 carcasses offered. The demand was good at \$5.50 to \$6.00 per cwt. mostly at the first named figure.

Butchers' Meat—There was no change in prices of any note. The supply was about sufficient for the demand.
