LOOKS LIKE NEW RECORD FOR LONDON'S EXHIBITION; FINE ATTENDANCE TODAY

Practically Everything in Place in All Departments and Entries in Some Sections So Numerous as to Overflow, But Ample Accommodation Has Been Provided for All.

A FULL GRAND STAND PROGRAM TONIGHT

criterion then the boast of the Lonthan ever before, and the records for the opening proper were shattered by the Fair grounds today.

Everything in Shape.

Adverse weather conditions early this morning might have been a handicap, but if it was, the effect was so slight that it might have been characterized as negligible.

the grounds to see the last finishing night every exhibit is scheduled to be There were more completed exhibits and more full entry lists in different classes than on any previous opening

Stock-Sheds Overflowing.

With the largest horse entry list in its history, the stock-sheds are overlowing. Practically fifty horses have been stabled in outside barns, the Queen City Oil Co., T. Patterson & Co., and others opening their stables for the use of the Fair directors. The six stalls short. This handicap and the record-breaking entry list has sent part of the entries to the outside

Big Collectors Attracted.

To a smaller degree, the same is true of the rest of the live stock exhibit The popularity of the Western among the breeders and the additional prize lists have attracted the biggest collect tion of swine, cattle and sheep that have ever been seen in the sheds at the local exhibition grounds. Not only is there quantity, but the quality is also here. The breeding standard is an exceptionally high one for animals Two Ladies in Flirtatious Situation in Auto Were shown here, and this year has proved no exception from the general rule.

A Fine Poultry Show. Vice-President J. H. Saunders, under whose special care comes the poultr show, is one of the most enthusiastic men on the grounds. His department has a larger entry list and a better

quality of birds than ever before: "It's the best ever," said the alderman-director, this morning. "We're going to have a record-breaking poultry

Wants Citizens Today. Secretary A. M. Hunt has issued a

call for citizens to visit the grounds to-

"We are putting on the full grand-stand program, including fireworks to-night," said the secretary. "If the city people want to see this program with out the crush and jam of the latter days of the week they want to come out this afternoon and evening. This is really the best day and night to see the fair without the inconvenience of the

The Speed Program.

The speed program before the grand stand this afternoon is: Three-year-old trot, half-mile heats; 2:22 pace, mile heats.

New Buildings an Attraction. those destroyed in the fire of two weeks ago, are proving an attraction that vies with any on the grounds. The rapidity with which these structures were run up by the co-operation of the city, the fair directors and London contractors and builders forms a record-breaking feat. The visitors to the grounds are more than appreciative of this fact, and the structures are receiving commendation and praise from all classes. Horsemen, whose animals are stabled in the new barns, this morning expressed their approval of the new type of structure the majority being of the opinion tha the new barns are an improvement

Practically Filled UP.

Practically every concession in the new buildings was filled this morning. carriage and automobiles in the new transportation building, were in hibits there, was well under way.

same condition of affairs exists in all buildings. Exhibits from the Toronto Exhibition streamed in day yesterday and this morning. All are in shape and the largest entry list from Toronto Exhibition is the result.

No Futurists Here. Director William Abbott, of the Art Building, is bemoaning the fact that no at the last minute the artists failed to keep their promises, and the exhibit, while classed by art lovers as "excep-

[Canadian Press.] Detroit, Mich., Sept. 6.—The existence

an underground railway in Detroit for the purpose of smuggling Chinese into the United States is well known to the local authorities, according to Immigration Inspector Frick.

"There are four underground systems here," said he, "and we are continually making arrests. While we have been able to arrest many of the Orientals we have not been able to get all of the operators. Until we get the latter we can't abolish the system. The Chinese are brought to Detroit from Canada by the "underground railway" and then shipped to Ann Arbor, generally in automobiles in 'stalls' for three or four days and the shipped to different parts of the coun
