## CIVIC OFFICIALS MAKE MOVE TOWARD ARENA

Mayor Wilson Announces Council and Public Utilities "Unofficially" Gathering Data—Thames Park Proposed Site.

Prospects of a civic arena loomed large yesterday when Mayor Wilson dropped a casual remark that the proposition had been unofficially discussed by the council this year. They loomed larger still when the mayor further remarked that General Manager Buchanan of the public utilities, in connection with the unofficial talks of the city fathers, was already collecting data with regard to the erection of a big artificial arena on the Thames Park Playground.

A civic arena has been discussed before, but the proposition was never definitely placed before the mayor and council during the two attempts made to rush through an arena campaign during the last two years.

It's the sort of public ownership which leaves room for little come-back from the ratepayers, because every ratepayer realizes the value of sport to the children of the city and its effect on the prestige of any municipality. An arena would be another link in the idea of city playgrounds, which are here to stay, merely supplying the winter version of them.

City Pride at Stake. At the present time London's city pride should be aroused over a situation which leaves this city in a state of isolation as far as hockey goes, a city of 70,000 people surrounded by a city of 400,000 people.

There is no doubt but that a \$300,000 structure could be built right now from public subscriptions, because the situation as it exists at present has aroused city-wide talk, but the figures vary by as much as \$100,000. The best arguments in favor of a civic arena at the present time is that having once taken up the proposition, the city will be farsighted enough to keep away from temporary relief measures, such as a \$300,000 rink would mean, and construct an arena of which the city will have no cause to be ashamed a few years hence.

Could Be Made to Pay. Working on over \$100,000 figures last year, it was found that an arena could be made to pay when behind a movement to launch a big public campaign went into the details of the scheme. An arena today would probably not cost that much by a long deal, as material, labor and everything else that went into its construction was then at their peak. The figures vary by as much as \$100,000. The best arguments in favor of a civic arena at the present time is that having once taken up the proposition, the city will be farsighted enough to keep away from temporary relief measures, such as a \$300,000 rink would mean, and construct an arena of which the city will have no cause to be ashamed a few years hence.

## Siki Is Now Shoe Polish Salesman

Latest Move of Officials Takes License Away.

BY JOHN O'BRIEN.

Paris, Nov. 21.—His trade of passing out jaw and skull polish having been stopped by the law, Battling Siki has accepted an offer to go into commerce as a shoe polish salesman, he told friends today.

Siki's only commercial experience in the past has been the trading of bullets at the front and the swapping of punches in the ring around Paris, but he said he had to do something to live.

Until he took a swing recently on the jaw of the manager of another boxer, Siki was sitting on top of the world. Now he has not a thing. His title was removed from him and he was suspended for nine months from all activities in the ring for his first offense, and now it is understood that his career has been permanently terminated in France. Since his first stroke of bad luck hit him Siki has been trying to drown out this trouble, and he has been engaging in all manner of excesses, so that he became almost a public nuisance. His license has been revoked permanently by the French boxing federation, according to Petit Journal. The action was taken at a special meeting called to hear the complaint of 25 noted sportsmen on Siki's recent conduct in public places. The details of the complaints were not made known, but they were covered with a blanket charge of oversteering the bounds of decency.

When the suspension expires the Senegalais, who has also been deprived of the title he won from Georges Carpentier, must apply for a new license, which the federation can refuse.

## VANCOUVER LOSE THIRD

Frank Fredericksen, Former Falcon, Is Star.

Vancouver, Nov. 21.—Vancouver suffered its third consecutive defeat in the Pacific Coast League game here last night, when the Victoria Aristocrats won 4 to 3.

Frank Fredericksen, former Falcon, was again a strong factor, as the former Falcon captain scored all four goals for Victoria.

Jack Fowler, in Victoria's goal, played a most remarkable game. The first two periods were Victoria's, the matter of goals and on the play generally. In the third period Vancouver came back and fought gamely to even the score. This period was decidedly Vancouver's. They showed an improvement of 100 per cent over their performance at Victoria a week ago, their demonstration of six-man hockey.

Both teams gave an exhibition of hard checking, lightning attack and quick backchecking.

The line-up: Vancouver: Fowler, Goal; Fredericksen, Reid, W. Loughlin, Defence; Cook, C. Loughlin, Defence; Duncan, Fredericksen, Forward; Mackay, Outman, Forward; Skinner, Neudinger, Forward; Harris, Henderson, Sub; Boucher, Anderson, Sub; Asselstine, Dundas, Sub.

First Period: 1. Victoria... Fredericksen... 3:38 2. Victoria... Fredericksen... 3:32 3. Victoria... Fredericksen... 4:03 4. Victoria... Fredericksen... 2:48 5. Vancouver... Cook... 1:25

Second Period: 6. Vancouver... Cook... 1:25

Third Period: 7. Vancouver... Skinner... 6:30

## 'Y' JUVENILE O. B. A. TEAM WORKS OUT

The first practice of the local Y. M. C. A. juvenile basketball team was held in the "Y" gymnasium last night, and Robert Williamson was elected captain.

Judging from the material on hand at this first workout, the local "Y" is going to have a strong team in the juvenile O. B. A. contest.

Their first match is an exhibition game with the fast Woodstock juveniles at Woodstock on Friday of this week, and this promises to be a real contest, as the Woodstock team is known to be a strong outfit, and have been in practice for some time past.

## SOUTH C. I. WINS WOSSA SOCCER

Defeat Central 7-0 To Take Local Group.

Passers-by at Thames Park yesterday afternoon were surprised to see what at first appeared to be a water polo match in progress. Closer investigation revealed the fact that South Collegiate was handing out a little instruction to a team from Central on how to play soccer on soft ice.

Covered with mud the both teams spent most of the game around Central's goal area, and on a couple of occasions, just to save time the South Collegiate forwards bundled the Central goalkeeper, together with the ball in his arms into the goal. The whole of the South's forward line had shooting practice, with a result that McLean scored two, Riddle two, Baker one, Appleby one, and Ferguson one, making the final score 7 to 0.

This victory gives London South Collegiate a goal, Salton, back, Hunt and McLean, the winners of the series will be drawn against the winner of the Ingersoll-Woodstock series in the next round, and the winners of this series will in turn meet the winners of the Ingersoll-Woodstock series.

The line-up: Central—Goal, Gillespie; backs, Hunter, Anderson, forwards, Mason, Bowen, Harding, Wong, Duncan. South Collegiate—Goal, Salton, back, Hunt and McLean, the winners of the series will be drawn against the winner of the Ingersoll-Woodstock series in the next round, and the winners of this series will in turn meet the winners of the Ingersoll-Woodstock series.

Referee—Dr. Frank Bryant.

## BRANTFORD WILL HAVE TWO O.H.A. TEAMS THIS YEAR

Executive of Club Pleased With Rink Arrangements.

Brantford, Nov. 21.—Contracts have been signed by the Brantford Hockey Association with the local rink management, whereby the club gets the rink for practice every night in the week during the hockey season. Manager French of the rink believes ice will be made by Dec. 15 or 20, and the two hockey squads will therefore be able to get out on the ice several weeks before the O. H. A. season opens.

The local H. A. executive met on Saturday afternoon and proceeded to discuss the rink arrangements. A meeting of all prospective players for Wednesday evening at 8 o'clock in the M. C. A. will be held to discuss the rink arrangements. It is likely that there will be many new candidates for positions.

Practices of the team will commence with gym workouts at the rink next week. The team candidates in a special workout on Monday, Tuesday, Thursday and Friday evenings at 8 o'clock. This work will be preparatory to the ice practice which commences in the middle of December.

## T. M. CAMPBELL HEADS CHATHAM BOWLERS

Chatham, Nov. 21.—T. M. Campbell was elected president of the Chatham Lawn Bowlers Association at the annual meeting of that body last evening. Other officers elected were: First Vice-president, J. H. Haddington; Secretary, J. H. Haddington; Executive Committee, J. H. Haddington, J. D. Stark, John Coker, Geo. Mahler, Sep. Kelface, C. G. Gunn and Mitchell; chaplain, Rev. Dr. Crews.

Ambitious plans for improvements to the grounds were also discussed. New sod will be laid, and the grounds in general will receive a lot of attention. The annual fee was raised from \$5 to \$10.

## National A.U.U. of U.S. Delay Recognition of Charlie Paddock's Sprint Marks

BY JACKSON LITTLE.

New York, Nov. 21.—Holding that it was a physical impossibility for a human to cover five yards in one-fifth of a second, the National A. U. U. delayed action on recognition of Charlie Paddock's sprint records.

The whole subject was referred to the incoming board of governors for decision. The Paddock matter is by far the most important business of the annual meeting, as it involved issues that are sure to result in bitter sectional feeling.

Paddock has a terrific drive at the finish of a race, and although the time is hard to understand on paper, it is much easier to understand when one has had the experience of being passed by Charley in the last few feet of a race.

His finishes are nothing less than uncanny, and if it is a physical impossibility, Paddock, I believe, is the only living athlete to ever accomplish it.

The Southern Pacific Association, by the action of the national body, is placed in the position of trying to put something over, and it will not let the matter drop.

The fact that Paddock's cause is sponsored by Bud Weaver, former president of the national body, and the fact that Paddock made his record, assures a strong stand for him.

Weaver, from our experience, is one of the cleverest, hardest fighting officials that ever ran off a meet. It's a tough job for Charlie, if the records are refused, will come in for a great deal of criticism for something which is no fault of his.

NEW YORK, Nov. 21.—Setting of a date in June for the open championship, which will be held on the links of the Inwood Club, is suggested by the Professional Golfers' Association, whose executive committee met here yesterday.

The professionals declared that a June date would avoid the intense heat experienced in previous tournaments. The professionals' executive committee also announced its opposition to gambling in golf. "Not that there is anything wrong with it," it was explained, "but in order to nip in the bud any demoralizing factor that seeks to bloom."

## PETROLEA HIGHS MEET HARDOIL JUNIORS

Petrolia, Nov. 21.—Much interest is aroused over the clash between Petrolia High School and the Petrolia Juniors in a rugby game to be staged here Friday. Both teams have played fast rugby all season, and the game promises to be a fast one.

## ESKIMOS LEAVE WEST ON NOV. 28

Want Stadium Grid Covered With Straw.

Toronto, Nov. 21.—Secretary R. W. Hewitson of the Canadian Rugby Union received a wire today from Manager Lieberman of the Edmonton "Football Eskimos" stating that the Eskimo-Ekks had definitely decided to come to Toronto to play for the national title—the championship of Canada—on Saturday, Dec. 2.

They will leave Edmonton on Tuesday, Nov. 28, by Canadian National, and will arrive in Toronto on Friday, Dec. 1, the day before the match.

The Edmonton team suggested in their wire that the field at Varsity Stadium be covered with straw to protect it from the moisture as was done last week at Molson Stadium, Montreal.

No Officials Yet. At the meeting of the Canadian Rugby Union executive held last night with the representatives of Argos and Queen's present, arrangements for the match were made. The officials of the match were not yet named.

## Central Athletes Form M. G. Battery

To Enter Garrison A. A. Basketball and Indoor Track Events.

Arrangements were completed last night to form a machine gun unit at Central Collegiate. The students will have their headquarters at the school, and will be given a Vickers gun for instruction.

Most of the L. C. I. athletes will be among those enrolled, and a team in the Garrison Basketball League and track meet is looked for. Coach Blake will lead the unit.

It has been said for a long time that some sort of military unit should exist at Central, and it is hoped that Coach Blake will get the same response as he did for his call for a rugby team.

Physical Instructor Blake, who was in Canada when war broke out and joined the first division, rose from the rank of sergeant-major to major, second in command of his old battalion, the 1st Gloucesters.

## Grimsby Invites Pros. To Use Arena

Ottawa, Nov. 21.—The Ottawa Hockey Club has been invited to do its "fall training" at Grimsby, Ont. Grimsby has a first-class artificial ice rink.

Nine players will be carried this winter, and as Ed Gorman is practically certain to sign, one of last year's juniors will likely be among the newcomers.

Eddie Gerard was in touch with the Ottawa management yesterday, and it is likely that he will again consent to lead the red, white and black.

## KITCHENER MAY LOSE SHERK, STAR CENTER

Kitchener, Nov. 18.—Allen Sherk, the hard-working center of the Kitchener intermediates may not be available for the intermediates hockey team this season. Sherk lost a great deal of time from business through hockey, and he doubts if he will be able to devote his time to the sport this season.

The Grimsby intermediates will play the Kitchener intermediates in Grimsby on Dec. 15, instead of Dec. 12 as previously announced. The Kitchener management found it more acceptable to play on Friday evening and were successful in getting the date changed.

## FIVE MEN TO SUPERVISE PHILADELPHIA BOXING

Philadelphia, Nov. 21.—Virtual control of the boxing situation in Philadelphia is to be placed informally in the hands of a committee of five citizens who have no other interest in pugilism than pure love of the sport.

This committee, it is said, will act in an advisory capacity in such matters as to elevate the standards of boxing. The intention is that it shall also have its opinions respected at the ringside.

## PRO GOLFERS OPPOSE GAMBLING ON MATCHES

New York, Nov. 21.—Setting of a date in June for the open championship, which will be held on the links of the Inwood Club, is suggested by the Professional Golfers' Association, whose executive committee met here yesterday.

## Central C. I. Has Big Cage League

Will Have Ten Picked Teams, not Inter-Form.

A meeting of basketball enthusiasts was held at Central Collegiate last night to discuss plans for the coming season. It was decided that the league of ten or twelve picked teams would be in preference to an inter-form league.

The objection to the inter-form league was that the level of play would be too one-sided, and it was felt that a league of ten or twelve picked teams would be more interesting.
