Finds us celebrating the event in our 400 stores with more than a million customers a week

Our growth, from a small beginning to Canada's largest retail grocers, in these six years, can be directly attributed to one thing—Personal Service to Our Customers.

The Personal Service of the Management in seeing at all times to buy the best in foodstuffs at the best possible prices and passing this saving on to you in the form of consistent low prices for what you buy.

The Personal Service of our Supervision Staff in seeing that every store and its merchandise be kept spotlessly clean—that every product is moved quickly so that you are always assured of fresh foodstuffs at your Dominion Store.

The Personal Service of our Store Management and Staff in the courteous, helpful way in which they meet your every requirement.

The appreciation of these efforts—from the Management to the Individual on the Store Staff—to render you a personal saving service on your groceries is indicated by our ever-increasing sales and number of new customers.

It is our sincere wish, on this our Sixth Anniversary, that our increased efforts to satisfy you in the future will meet with the same success as in the past.

And in order that you may materially share some of the satisfaction in full this week our Stores are featuring special savings "Where Quality Counts" prices are consistently low and a personal service appreciated.
