

## Weekly Colonist

FRIDAY, APRIL 22, 1888.

From the Daily Colonist, April 20, 1888.

## LOCAL AND PROVINCIAL.

## Two More Senators.

The northwest will be given two senators.

## Very Low.

The barometer was very low last evening, being 59.50, indicating that we are likely to have a strong southerly.

## For the North.

The steamer Barbara will leave for northern ports on Thursday morning. She will take a large freight, comprising principally general merchandise.

## Entrance coming.

A Montreal dispatch of Friday says: Yesterday 244 British immigrants proceeded to Manitoba and 56 to British Columbia, besides 100 to the United States.

## Breath of Truth.

And Clark, the new proprietor of the Concordia, was arrested at four o'clock yesterday afternoon. So far as could be learned, he is charged with embezzling the last sum of \$10,000.

## The Lucky Number.

The twelfth drawing of the Vancouver Building Society occurred last evening at the Hotel Vancouver. The lucky number was 19, which was drawn by Mr. J. H. Smith.

## Athletic.

The performance to be given at the entertainment in the Y. M. C. A. Rooms this evening will be the "The Champion Wrestler," as stated in yesterday's issue. The entertainment will be a success.

## Self-Supporting.

The Presbyterian congregation at Vancouver have become self-supporting and are now able to support their pastor, Mr. J. H. Smith, and their church expenses.

## Bound for the West Coast.

The American tug Tybee called at the wharf yesterday afternoon for clearance papers. She is bound for Barclay Sound and will leave for Port Blakely, where a survey will be held as to her condition.

## Accident.

A gentleman named D. Bremner, staying at the Oriental Hotel, sustained a painful fracture of the right leg when he fell from a balcony on Saturday night. His face was disfigured slightly for the time being.

## Landed.

The steamer Tanager, which has been on the ways at the shipyard for some time, was successfully launched yesterday and will receive her engines and boilers immediately. She is bound for the coast and will leave for the coast on Saturday morning.

## Against Corruption.

Mr. Curran, of Montreal, has given notice in the Commons of a resolution against corruption in the Imperial Parliament, and a hope that a measure of home rule as enjoyed by Canada will be speedily granted.

## To Be Examined.

Messrs. Leavenworth, divers of San Francisco, who are well known on the coast, were amongst the Elders' passengers Monday night. They will, in conjunction with Captain Taylor, examine the hull of the Mexico, and left for the scene of the wreck last evening.

## Improving.

The report in last evening's Post that Mr. John Howard was rapidly nearing his end, is absolutely untrue. Mr. Howard is a gentleman in good health, and is able to speak a few words yesterday and to-day.

## B. C. is the Force.

See Pandey &amp; Co.'s advertisement in this morning's issue. The firm received a letter from a leading barber in Montreal, in which he stated that the shaving soap manufactured by them is the best he has ever used. Pandey &amp; Co. are shipping large quantities of this soap to the coast.

## The Festival Feast.

A certain well-known mutton, while having a banquet at a short time ago, raised a mutton trout, which carried away the prize. The mutton was a certain well-known mutton, which carried away the prize.

## Not a Family Quarrel.

Mr. M. Morrison, the prosecutor in the case of John Dobson, charged with assaulting him, writes to inform us that the said Dobson is no relation of his whatever, and that the quarrel which took place was not a family matter. We find from public reports that the said letter as the case was settled in court and it is scarcely worth while reviving it.

## The Brunswick.

The Brunswick hotel, at the corner of Douglas and Yates streets, has come under the management of Mr. W. W. O'Brien, who is a well-known resident of the province. The hotel is a well-known resort for the public, and is well known for its comfortable accommodations.

## A Beautiful Ship.

The bark Alden, Capt. O'Brien, now lying at Wharfedale, is a fine vessel. She is one of the finest of her class that has ever entered this harbor. When she arrived from Hongkong about a month ago, she was in excellent condition, and her appearance was most pleasing.

## Newfounders Coming.

A small party of fishermen from Newfoundland passed, says the Manitoulin, through the straits on Monday on their way to British Columbia, where they intend to establish a colony and engage in agricultural and fishing pursuits. They will report on the progress of their expedition, and if favorable there will be a general exodus of Newfoundlanders to the western seaboard of the Dominion.

## Low Figures.

The figures for the month of March, as given in the weekly report of the Dominion, are as follows: The total value of exports was \$1,000,000, and the total value of imports was \$1,000,000.

## A Common Occurrence.

Many bad joints, which are made by the use of lead, are made by the use of lead, and are made by the use of lead. They are made by the use of lead, and are made by the use of lead.

## A Common Occurrence.

Many bad joints, which are made by the use of lead, are made by the use of lead, and are made by the use of lead. They are made by the use of lead, and are made by the use of lead.

## A Common Occurrence.

Many bad joints, which are made by the use of lead, are made by the use of lead, and are made by the use of lead. They are made by the use of lead, and are made by the use of lead.

## A Common Occurrence.

Many bad joints, which are made by the use of lead, are made by the use of lead, and are made by the use of lead. They are made by the use of lead, and are made by the use of lead.

## A Common Occurrence.

Many bad joints, which are made by the use of lead, are made by the use of lead, and are made by the use of lead. They are made by the use of lead, and are made by the use of lead.

## Win the Medal.

Mr. Donald Macpherson, of Cowichan, has received a medal and diploma for his success at the Colonial Exhibition last year. Our worthy friend "Donald" who, by the way, is somewhat famous for his success as a horse raiser, is to be congratulated on his newly acquired honors. His exhibit is said to have been superior to anything of the kind from the Dominion.

## A United Ministry.

At the dinner of the secretary of state in Montreal, Mr. Chapleau emphatically declared the stories of discord in the cabinet, saying: "There is a united ministry. There are no jealousies with us. We are like a happy family living in harmonious unity, having but one object in view, and that is to serve the Canada we love so well."

## James Bay Bridge.

Work on the James Bay bridge is about completed and will be ready by tomorrow to be taken over by the city. Notwithstanding the many difficulties which the contractor has had to contend he has made a good, substantial structure, which should allow traffic to work and develop the property, which is said to be one of the richest yet known.

## A Very Interesting Entertainment.

A very interesting entertainment took place in the Temperance hall last evening under the auspices of the I.O.G.T. Mr. W. Loane occupied the chair. Following the program were songs by the choir, Mr. G. B. Wright, who is at present at the head of the Temperance movement, and Mr. J. H. Smith, who is at present at the head of the Temperance movement.

## Police Court.

R. W. Jones, who was up on a charge of vagrancy, pleaded guilty to drunkenness. Fined \$10 or two weeks. The fine was paid.

## The Presbyterian Congregation.

The Presbyterian congregation at Vancouver have become self-supporting and are now able to support their pastor, Mr. J. H. Smith, and their church expenses.

## Bound for the West Coast.

The American tug Tybee called at the wharf yesterday afternoon for clearance papers. She is bound for Barclay Sound and will leave for Port Blakely, where a survey will be held as to her condition.
