Magistrate—You say your wife threw a teacup and struck you on the head?

Plaintiff—Yes, your honor.

Magistrate—How far was she away from you at the time?

Plaintiff—About ten feet.

Magistrate—What did she aim at?

Magistrate—Well, all I've got to say is that you ought to be proud of a wife like that.

POLICE AND BURGLAR SHOOT

CHAMBERSBURG, N.B., Sept. 22.—A revolver battle in which two patrolmen and a burglar figured early yesterday morning ended in the capture of the burglar who gave his name as George Curtis and was said to be well known in Boston and New York police circles.

The man was carrying a bag filled with \$300 worth of jewelry and silverware from the residence of Mrs. Jane Brooks at the corner of Massachusetts Avenue and Lancaster st. in North Cambridge when the police gave chase.

The burglar snatched his revolver at the officer as he ran, but was overpowered. None of the shots took effect. Curtis was released from the State prison a week ago.

BULL RUNS AMUCK, TOSSES SEVERAL MEN

BRATTLEBORO, Vt., Sept. 22.—An Ayrshire bull, the prize exhibit of the farm connected with the Mount Hermon School for Boys at Northfield, Mass., developed a sudden attack of temper yesterday, ran amuck and tossed and severely injured two men and gored and killed a horse. A rifle bullet ended the career of the bull.

The bull stopped in 20 minutes with Dr. Shoop's Compound. One shot will surely prove a safe and reliable remedy.

Why it Will Pay You To Buy Invictus Shoes

You'll know the difference between good and bad leather only after you wear them. It's then that the inferior leather shows its defects, both in looks and wearing qualities. When you buy a pair of shoes you are at the mercy of the maker. If he puts inferior leather into them he is going to lose your future trade. But if he uses good, high grade selected leather, it means that your purchases won't stand with the one pair, you'll become a permanent buyer. Men who buy one pair of INVICTUS Shoes keep on using them from year to year.

Because INVICTUS Shoes are made of the best selected leathers, by skilled workmen, on modern machinery, over stylish, up-to-date lasts.

They're made with the object of giving the maximum of wear, style and comfort for any shoes can give.
