Women and Asthma. -- Women are numbered among the sufferers from asth-ma by the countless thousands. In every climate they will be found, helpless in the grip of this relentless disease unless they have availed themselves of the pro-per remedy. Dr. J. D. Kelloggs's Asth-ma Remedy, despite its assurance of benefit, costs so little that it is within reach of all. It is the national remedy

debutante or youthful miss.

Paisley Vogue.

The vogue of pulsley has come back, and some of the smartest of new hats are showing the use of the paisley colors and weave. You will remember that for some reason when paisley was popular a few years ago it never became popular to the extent of commonplaceness, so there is no feeling against it, as there might have been had it been run to the ground at that time.

Postilion Cape Coat.

Keep your eyes on the coat with wide shoulder cape or with a waist length circular postilion cape. This style was launched two seasons ago and last season, but until now has met with little success. For the spring season, however, the postilion cape coat is arousing much attention.

If Miller's Worm Powders needed the support of testimonials they could be got by the thousands from mothers who know the great virtue of this excellent medicine. But the powders will speak for themselves and in such a way that there can be no question of them. They act speedily and thoroughly, and the child to whom they are administered will show improvement from the first dore. m

365 Days a Year Service

ALL motorists, especially those who use their cars for business purposes, must have steady service. They soon learn that correct lubrication is vitally important to uninterrupted service and that Imperial Polarine gives adequate thorough lubrication.

Imperial Polarine keeps the engine running smoothly and quietly by establishing and maintaining a perfect piston-to-cylinder seal, which holds all the power of the fuel charge behind the piston.

Imperial Polarine thoroughly lubricates and cushions every rubbing surface with a wear-resisting oil film. When used exclusively break-downs are infrequent, depreciation is low, fuel costs reduced.

One of the three grades described below is specially suited to your motor. Look for the Imperial Polarine Chart of Recommendations where you buy your oil and learn which grade to use.

Imperial Polarine is sold in one and four-gallon sealed cans, steel 121/2-gallon kegs, steel half-barrels and barrels, by dealers everywhere.
