In Ye Olden Time

hoop skirts were worn by those who first asked the druggist for, and insisted on having the genuine Favorite Prescription put up by Doctor Pierce over fifty years ago.

Dress has changed very much since then! But Dr. Pierce's medicines contain the same dependable ingredients. They are standard today just as they were fifty years ago and never contained alcohol. Beauty depends upon health. Worry, sleepless nights, headaches, pains, disorders and weakness of a distinctly feminine character in a short time bring the dull eye, the "crow's feet," the haggard look, drooping shoulders, and the faltering step. To retain the appearance of youth you must retain health. Instead of lotions, powders and paints, ask your druggist for Doctor Pierce's Favorite Prescription. PHIBEX, Sask.—"Doctor Pierce's Favorite Prescription cured me when all other medicines failed. The home doctors could do nothing for me. I happened to see Dr. Pierce's advertisement in the paper, sent for the medicine, and felt a great benefit from even the first few doses. I took but a few bottles until I was entirely well. I cannot speak too highly of the merits of the Prescription." Mrs. JANET BROWN, R. R. 1.

Cause of Asthma. No one can say with certainty exactly what causes the establishing of asthmatic conditions. Dust from the street, from flowers, from grain and various other irritants may set up a trouble impossible to be relieved except through a sure preparation such as Dr. J. D. Kellie's Asthma Remedy. Uncertainty may exist as to cause, but there can be no uncertainty regarding a remedy which has given relief to a generation of asthmatic victims of this scourge of the bronchial tubes. It is sold everywhere.

LEARNING ABOUT CANADA.

English Teachers Are Paying Visit to Dominion.
 HALIFAX, N.S., Aug. 9.—With the object of developing a better understanding of the Empire and bringing together of representative members of the teaching profession, a party of seventy-seven members of the Imperial Union of Teachers, under the auspices of the League of Empire, arrived in Halifax from England Saturday night.
 The party was in charge of Col. James L. Hughes, a brother of Sir Sam Hughes, for many years chief inspector of schools in Toronto. Included were professors from British universities, head masters and head mistresses of public and collegiate schools, representing the British Isles, Australia and New Zealand.
 Prominent in the party were Sir Harry Reichel, vice-chancellor of the University of Wales; Montague Rendall, head master of Winchester; Prof. McBain, of Bristol University; Prof. Fry, of Cambridge, and Prof. Scott, of Bangor.
 These educationalists are on their way to Toronto to participate in the League of Empire conference, to open this week. After the conference they will separate and visit various parts of the Dominion, looking toward the accomplishment of the plan put forward by the union for interchange of teachers between the nations of the Empire.

BARGES WERE DISABLED.

Score of People Saved in Storm on Lake Ontario.
 KINGSTON, Aug. 9.—The steamer MacAssen, of the MacNaughton Line, Montreal, with the barges Condor and Allaso, in tow, ran into a terrific gale early Sunday morning when at South Bay Point, thirty miles up the lake from Kingston. Each of the barges sprung a leak but Capt. Clark and the crew of the MacAssen rescued all on board the two barges, including nineteen men, women and children, it being a French-Canadian crew. The women and children were asleep at the time and the weather was so rough that they could not be lowered. After a most trying time, Capt. Clark and his men succeeded in getting a line on the barge Condor and women and children were taken off first. Over two hours were taken up in effecting the rescue.
 After all had been rescued Capt. Clark and his crew went out Monday to the scene of the accident to see the extent of the damage. They are being warmly congratulated in marine circles for their gallant rescue. It is stated that the waves were beating ten feet high when the storm was at its worst.

CABINET BREAKS UP.

Alberta Ministers Take to Farming and Business.
 CALGARY, Aug. 9.—According to reports here it is the intention of Premier Charles Stewart and Hon. A. J. McLean, Minister of Public Works, to form a partnership in a business enterprise in Edmonton, following their retirement from the Government of the province.
 Hon. Mr. Stewart owns a large farm at Killam, where he resided prior to entering the Government ten years ago. Hon. A. J. McLean has large ranching and farming interests at Tubber and Bircher Creek in the southern part of the province, but it is said that both of these gentlemen will continue to reside in Edmonton.
 Hon. J. H. Boyle, it is said, will re-enter law practice in Edmonton and Hon. Duncan Marshall will look after his farming interests at Onda. Hon. C. R. Mitchell may enter law practice at Medicine Hat, his former home. He was a district court judge when he left the bench to enter politics. Hon. George P. Smith will resume active control of his newspaper at Camrose, and Hon. Jean Cofe has a practice as civil engineer in Edmonton.

Fire Visits Kincardine.

KINCARDINE, Ont., Aug. 9.—Fire starting in the cellar of Geddes' general store at six o'clock Monday morning, completely gutted the entire block, including Farley's hardware and Miss Melvor's shop. The origin of the blaze is at present unknown. The loss is estimated at \$50,000, partly covered by insurance. What goods were not destroyed by fire were hopelessly damaged by water. The alarm was sounded at six o'clock. The firemen tried to confine the blaze to the cellar, but owing to inflammable materials they were unsuccessful.
 Sore's Flea Before It.—There are many who have been afflicted with sores and have driven them away with Dr. Thomas' Electric Oil. All similarly troubled should lose no time in applying this splendid remedy, as there is nothing like it to be had. It is cheap, but its power is in no way expressed by its low price.

Christabel Is Here.

MONTREAL, Aug. 9.—Miss Christabel Pankhurst, the noted English suffragette leader, arrived here on Sunday evening from England. She states that she has come here solely for a holiday and does not intend to do any speechmaking. She will spend two or three days in Montreal and then go on to Victoria to join her mother, Mrs. Emmeline Pankhurst. The two will then, she stated, visit the Canadian West.
 Miss Pankhurst intends to observe and take notes on the lot of woman-kind in Canada, in order to publish her views in England later.

Ismid Re-occupied by Greeks.

LONDON, Aug. 9.—Greek re-occupation of Ismid is expected at any moment, according to despatches to the Daily Express from Constantinople. Only a small number of the Turkish forces of Mustapha Kemal remain at Ismid. The resumption of any large scale offensive is unlikely before September, owing to the necessity of repairing the railway.
 The occupation of Ismid will give the Greeks lateral communications and enable them to advance with greater ease.

TOO ILL TO GO TO SCHOOL

Mother Tells how Daughter was Made Well by Lydia E. Pinkham's Vegetable Compound

Cobourg, Ont.—"Lydia E. Pinkham's Vegetable Compound was recommended to me for my daughter. She had trouble every month which left her in a weak and nervous condition with weak back and pain in her right side. She had these troubles for three years and frequently was unable to attend school. She has become regular and feels much better since she began taking the Vegetable Compound and attends school regularly. She is gaining steadily and I have no hesitancy in recommending Lydia E. Pinkham's Vegetable Compound and Lydia E. Pinkham's Blood Medicine."—Mrs. JOHN TOMS, Ball St., Cobourg, Ont.

Standing all day, or sitting in cramped positions, young girls contract deranged conditions, and develop headaches, backache, irregularities, nervousness and bearing-down pains, all of which are symptoms of woman's ills. Every mother who has a daughter suffering from such symptoms should give Lydia E. Pinkham's Vegetable Compound a fair trial.
