

Personal to Subscribers

We will send to every subscriber or reader of the 'NORTHERN MESSENGER' a full-sized ONE-DOLLAR package of VITÆ-ORE, by mail, POSTPAID, sufficient for one month's treatment, to be paid for within one month's time after receipt, if the receiver can truthfully say that its use has done him or her more good than all the drugs and doses of quacks, or good doctors, or patent medicines he or she has ever used. Read this over again carefully and understand that we ask our pay only when it has done you good, and not before. We take all the risk; you have nothing to lose. If it does not benefit you, you pay us nothing. VITÆ-ORE is a natural, hard, adamantine, rock-like substance—mineral—ORE—mined from the ground like gold and silver and requires about twenty years for oxidization. It contains FREE IRON, FREE SULPHUR AND MAGNESIUM, and one package will equal in medicinal strength and curative value 800 gallons of the most powerful, efficacious mineral water drunk fresh at the springs. It is a geological discovery, to which there is nothing added or taken from. It is the marvel of the century for curing such diseases as Rheumatism, Bright's Disease, Dropsy, Blood Poisoning, Heart Trouble, Catarrh and Throat Affections, Liver, Kidney and Bladder Ailments, Stomach and Female Disorders, La Grippe and Malarial Fever, Nervous Prostration and General Debility, as thousands testify, and as no one, answering this, writing for a package, will deny after using. VITÆ-ORE will do the same for you, as it has done for hundreds of other readers of this paper who have accepted this offer and MADE NATURE THEIR DOCTOR, if you will give it a trial, which none should hesitate to do on this liberal offer. SEND FOR A \$1.00 PACKAGE AT OUR RISK. You have nothing to lose if the medicine does not benefit you. WE WANT NO ONE'S MONEY WHOM VITÆ-ORE DOES NOT BENEFIT. Can anything be more fair? One package is usually sufficient to cure ordinary cases; two or three for chronic, obstinate cases. Investigation will bear out our statement that we MEAN JUST WHAT WE SAY in this announcement and will do just as we agree. Write TO-DAY for a package at our risk and expense, giving your age and ailments, so that we may give you special directions for treatment, if same be necessary, and mention this paper, so we may know that you are entitled to this liberal offer.

YOUR DOCTOR

may tell you that your case is incurable, that medical science is unable to help you, that all you can expect is temporary or slight RELIEF. Well, let HIM think so. He is certainly entitled to HIS OPINION. You need not think so unless YOU WISH TO.

Many people whose testimony appears in the books and pamphlets of the THEO. NOEL CO., were told that their cases were hopeless, helpless, impossible, incurable, past all recovery, yet—READ THEIR TESTIMONY. Many were told that they had but a few short years—some but months—to live, yet—READ THEIR TESTIMONY. There are more things in HEAVEN and EARTH than are dreamed of in the Doctor's philosophy, and Vitæ-Ore is one of them.

AS A BEACON LIGHT

VITÆ-ORE points the way for storm-tossed sufferers to a haven of Health and Comfort. If you have been drifting in a sea of sickness and disease, towards the rocks and shoals of Chronic Invalidism, Port your helm ere it be too late, take heed of the message of hope and safety which it flashes to you; STOP DRIFTING about in a helpless, undecided manner, first of one course and then another, but begin the proper treatment immediately and reach the goal you are seeking by the route SO MANY HAVE TRAVELLED WITH SUCCESS.

Every person who has used Vitæ-Ore is willing to act as a PILOT for you, each knows the way from having followed it; attend their advice. FOLLOW THE LIGHT and be cured with Nature's Remedy as they have been.

CAN YOU AFFORD TO DISREGARD IT?

This offer will challenge the attention and consideration, and afterward the gratitude of every living person who desires better health or who suffers pains, ills and diseases which have defied the medical world and grown worse with age. We care not for your skepticism, but ask only your investigation and at our expense, regardless of what ills you have, by sending to us for a package on trial. In answer to this, address

turn. She was only one day getting forty names.

Charles Taylor's father is a carpenter, and he lives at Robinson's Mills, W. Va. He likes the 'Messenger' greatly.

Donald B. Pickard's father runs a stone quarry, at Sackville, N.B., and sends stone as far as Toronto.

James John Harrison, of Penville, aged 14, is a busy worker in summer. He has a most intelligent dog which understands everything said to him.

Ethel S. Eichenberger lives in the pretty village of Delaware, which has three churches, several stores, a tailor, barber, and harness-maker and two hotels. They

have a skating rink in winter. Ethel's father is a thresher and, unfortunately, lost one hand in the cutting-box, about 13 years ago. (Ethel made the mistake of writing on both sides of her paper.)

M. A. M., writing from Swan River, Man., speaks of the beauty of the place. It is bounded by three mountains and there are lots of wild animals round.

We had also short letters, not quite interesting enough to print, from the following:—Ida Moore, Olin Henry, Lena May Ross, Laura Isabel, Edna Clarke, Ruby Lund, Gladys Walker, Marjorie Waddell, Harry Vandervoort, Florence Mickus, Walter Ball, Flossie Draper, Huntly Butler, Mamie Burgess, Carrie Crowther.

HOUSEHOLD.

New Soil

('The Youth's Companion.')

When John Dalton came back from the asylum where he had gone to place his wife, his neighbor, Perry, met him at the station and went home with him, that he might not enter the empty house alone. The old man was stunned and dazed.

'I don't know what ailed Mary,' he said, dully. 'You see how clean and snug this house is?' She always kept things so. Up before dawn, milking and baking and
