BEES, QUEENS, FOUNDATIONS, &c.

Free to all. We would call special attention to Smokers as manufactured by us, we guarantee every one. The barrel is made of iron, the nozzle is tin and so arranged that embers cannot be blown among the bees, the sliding door at the rear of the barrel together with the strip of sandpaper on the bellows, enables us to light the smoker almost instantly with a match. The bellows is so constructed that fire cannot get into it, the spring is on the outside and can very easily be replaced if broken without injuring the bellows. We also manufacture the "Clark cold blast smoker" the same as made by A. J. Root, of Medina, Ohio. Price of smoker with 3 inch barrel \$6.00, 2 1/2 inch barrel 75 cents, Clark cold blast 50 cents, by mail each 30 cents extra. For wholesale rates send for Illustrated Catalogue to

I began the manufacture of comb foundation in 1883, and I am glad to say that I have not had the first complaint so far. Brood runs from 5 1/2 to 6 feet to the lb.; section about 11 ft.; shall commence making, weather permitting, April 15th. Brood cut to almost any size. Section foundation unless otherwise ordered is made in spring 33x11 and 33x7 1/2. I will make up wax for you, your paying all freight or express charges both ways. Brood 70 cts. per lb.; Section, 40 cts. per lb. No circular! Prices of foundation on application.

WILL ELLIS.
