This literature transant much enlarged and more richly trastrated than provings elimings. It has been fully revised, and contents the very latest in respect to beckeeping. Pike by mail 31 50. Liberal discount to dealers and for clubs.

A. J. COOK, Author & Publisher, ACRICULTURAL COLLEGE. TATE LANSING, MICH.

BARNES' FOOT-POWER MACHINERY

Read what J. J. PARENT, et Charlton, N. Y. says—"We cut with one of your Combined Machines last winter 50 chaft hives with 7 inch cap. 100 honey packs, 500 broad frames, 2,000 honey boxes and a great deal of other work. This winter we have, double the number of bechives, etc. to make, and we expect to do it all with this saw. It will do all you say it will." Catalogue and Price List free. Address W. F. &
