The Castilian Hair Invigorator.

THIS elegant Toilet Preparation is warranted to excel all others ever offered to the public, for Preserving and Restoring the hair; it prevents or cures baldness or grey hair; cures dandruff and ringworm; and what is of the highest importance, is, that it is unlike most other Toilet preparations, by being perfectly harmless, yet successful for the purposes recommended. It gives the hair a beautifully soft, smooth and glossy appearance; in this, it also differs from other preparations, all of which more or less harden and dry the hair. The Spanish Ladies, so justly famed for beautiful and glossy hair, have used

THE CASTILIAN HAIR INVIGORATOR

for centuries. It causes the hair to retain its original colour to the latest period of life, only making it assume a darker shade if originally very light. Diseased hair loosens and falls out or turns grey. The INVIGORATOR removes such disease, and restores the skin and hair to a healthy condition.
