

on the 26th inst. Of the small boys there are only two in the Institute. Tommy White of Walpole Island and "little Pete," the latter being a recent importation from Garden River; his father and mother are both dead and his old grandmother who has been taking care of him is very sick and not likely to live.

July 27—Benjamin Shingwauk has passed the examination successfully and will receive a portrait to teach an Indian school.

Aug. 4—Benjamin has the offer of the school at Kettle Point: salary \$300. He will enter on his duties at the end of September. John Esquimau, who has been studying theology for the past year at the Shingwauk Home, will go to college in Montreal in the fall if the Bishop can succeed in providing for his expenses.

Aug. 6—Adam Kiyoshk, the first pupil that entered the Shingwauk Home, ten years ago, has been staying with us a few days, having come up to the Sault in the capacity of pilot on the Bishop's steam yacht. He is a carpenter by trade and has done a good deal in building and fitting steam boats. The Bishop has engaged John Esquimau as pilot and Benjamin Shingwauk as deck hand on the steam yacht for a month. Harry Nahwuagezhig, our bootmaker, has returned to us after two months holidays.

Aug. 16—An Indian woman from Sailors' Encampment, brought three little children to put under our care this afternoon, two little boys named Frank and Charlie and their little sister Sophy. An agreement was signed for them to remain six years. We expect to have about 40 boys this winter at the Shingwauk Home, and about 20 girls at the Wawanosh.

Jottings.

Gravenhurst Mission—The congregation of Christ's Church, Purbrook, are rejoiced by the kind sympathy and help of the Rev. H.T.M. Kirby, vicar of Mayfield, Sussex, England, who with the assistance of his parishioners, has collected about \$75 by shilling collecting cards. Out of this fund Mr. Kirby has purchased and sent out a beautiful plate-cum-memorial, and brass alms-dish, which are safely to hand, the remainder of the sum has been expended in the purchase of supplies, com-

munion linen, and the making of communion table, and lectern. In behalf of wardens and people, the Rev. John Greeson, Missionary in charge, tenders his most heartfelt thanks.

Gore Bay.—The Rev. W. Macaulay Tooke acknowledges, with gratitude, the receipt of a valuable parcel of clothing from the Young Women's Christian Society of Christ Church Cathedral, Montreal. Also monthly packets of magazines for Sunday schools, and a number of gift books, illuminated texts, &c., from Miss A.C. Day, of West Hadlow, Buxted, Sussex, England.

A nice box of books and things to put on a Christmas Tree has been received from "a Friend, E.C." Also \$1 to pay for the freight. All the contents of the box are most acceptable and will give much pleasure to the Indian children.

The Rev. F.W. Kirkpatrick of Kingston has been paying us a short visit, and has been much interested in seeing the Shingwauk and Wawanosh Homes, both of which his parish and Sunday School have been assisting for a long time back.

The Rev. G.B. Cooke, of Sault Ste. Marie, has been away for a two weeks vacation.

The Indians at Garden River had arranged a pow-wow and feast in honor of the Bishop for the 18th of August. Unfortunately sickness in the family prevented the Bishop from being present, which was a great disappointment to the Indians. However the Bishop promises to visit them at an early date and to stay the day with them. They were much pleased at seeing the steam yacht, which notwithstanding the Bishop's enforced absence went down to Garden River with a party of juveniles and one or two clerical representatives. The chiefs and people were all in holiday attire and guns were fired as the boat approached the dock.

The Rev. R. F. Tison, is at present staying with his family at Red Rock most of his Indians being engaged in that vicinity portaging supplies for the C.P.R. Company. He finds plenty of work among the railway men, and has opened a day school for their children. He expects to return to the Indian Mission on Lake Superior in the fall.

The Bishop expects shortly to start on an extended tour in the "Evangeline" and visit the various missions on Manitoulin Island and the north shore.
