A SPECIALTY.

\$100 FOR \$25.

Many dealers lack the necessary time to make up approval sheets, and am prepared to supply them with a complete set of ready-made approval sheets at an exceedingly low price. I will supply \$100 worth of neatly arranged approval sheets, indexed according to Scott's 50th catalogue, for \$25! Postage on the lot is \$10.00 extra. These sheets contain no stamps priced at less than 2 cts. each, and nothing priced at over 50 cts. The lot contains a splendid variety, and not more than 5 of one kind. These sheets contain many fine stamps, and are sure to please. I am in a position to fill all orders promptly, and solicit an order for a trial lot.

WHOLESALE LOTS ON APPROVAL

To dealers who are prepared to buy liberally, and who will agree to make returns promptly within five days of receipt. First-class commercial references or a deposit of \$5 or over is required from all applicants. I offer in this way many stamps of which I have not enough to advertise. My prices are right. Correspondence with NUYERS solicited.

* Signifies unused. Orders of less than \$1.00 from the above list respectfully declined. All of the above are in stock, so that a supplementary order is unnecessary. I will give a year's subscription to this paper free with every order from above list, provided same is requested when order is sent. Remit by money order or bills.
