League of the Cross

On the evening of Tuesday, March 2nd, was held the most successful entertainment yet given by the League of the Cross of St. Peter's Parish. In the matter of talent it was simply grand and financially was beyond our most sanguine expectations. Perhaps the announcement that the proceeds were to be given to the St. Vincent de Paul helped to swell the amount realized. The programme which reflected great credit upon those who had the concert in hand, was as usual well received and consisted of choruses, songs, recitations, etc. The choruses were given by St. Peter's Choir under the direction of Mr. G. Giffney as were also the songs. The solos were all well given by the Misses F. Leonard and S. Oustance and Mr. Harrington who sang Mr. H. H. Godfrey's new song and chorus entitled "The Land of the Maple" which promised to become the most popular patriotic song of the day. The recitations which were given by the Misses K. Gorvine and Halley and Mr. Gus. Tierney excited loud and long applause. Mr. W. Malloy again brought down the house by his comic songs and to say that he was well received is putting it mildly. Mr. John Stacey gave a fine clarinet solo which was also well received. Messrs. Wm. Bradley and T. Harrington rendered in excellent style a duet, entitled "Mother can this the Glory Be." Miss B. Oustance sang the old home song in a pleasing manner and Miss Curran won great applause by her rendition of "The Pardon came too Late." Miss Curran has a promising future before her as a soprano singer. Mr. Ed. J. Smith rendered the "Midshipman" and "Come Back to Erin" in a most pleasing manner and won also loud applause. The pianist was Miss M. Flynn and she filled the position in a most excellent style. The choir was very ably filled by our President Mr. John Duubar. I must not forget to state that the ladies of the parish in sympathy with the League had our hall nicely and neatly decorated and deserve the most hearty thanks of St. Peter's Branch for their kindness and generosity. Help along the good work one and all.

Ed. J. Smith, Secretary.

C. M. B. A.

The St. Catherine's Journal has an account of the ball of Branch 10, C. M. B. A., before Lent. The ball was given in the Masonic Temple, six hundred people were present, there was no crowding or crushing at the table, and a choice repeat to partake of.

The whole affair was a success, both financially and socially, and that this event is looked forward to is shown by the visitors present from Buffalo, Toronto, Cobourg, Niagara Falls and the outside towns and villages.

To the reception and floor committees much credit is due for the excellence of all their arrangements, and they are to be congratulated upon their success.

The following comprises those two committees: Reception—H. R. Cudden, Capt. D. O'Hagan, E. Murphy, Jos. Voisard, T. Nihan, sr., J. T. Carey, W. J. Flynn and E. Hartnett.

Floor—Capt. McAvoy, J. E. Lawrence, V. E. Begy, Capt. W. R. Welsh, M. Howe, J. J. McLaren and M. J. Kimmitt.

Too much praise cannot be given Chairman E. F. Begy, and Secretary M. Sullivan for the really arduous work they performed in looking after the details.

St. Leo Court, No. 581, C. O. F.

St. Leo Court, No. 581 is fast making itself felt among the Catholic population of the West End of the city although only a short time in existence it now figures among the prosperous and flourishing Catholic societies. Their last meeting held on Wednesday night in their hall, on Queen and McCaul streets was well attended. The report of the investigating committee was read. Two members were balloted for and accepted. Seven applications for membership were received and the members expect to have at least seven more applications for the next meeting. The smoking concert committee presented their report which showed a snug surplus which was placed to the credit of the Court. After a short time was spent in recreation the meeting adjourned. ST. ANOTHER GOOD YEAR.

Annual Meeting of the Federal Life Assurance Co.

A VERY ENCOURAGING REPORT.

The Company's Business Grows and its Assets Increase.

The thirtieth annual meeting of the Shareholders of this Company was held at the head office, in Hanilton, on Tuesday, 1st March, 1897, at 2 o'clock. Mr. James H. Beatty, President occupied the chair. Mr. David Dexter, Managing Director, acting as Secretary, when the following report was submitted:

Your Directors have pleasure in submitting herewith for your approval the thirtieth annual statement of the Company, showing the amount of insurance written and the receipts and disbursements for the year 1896 together with the assets and liabilities of the Company at the close of the year.

Sixteen hundred and sixteen applications for insurance, amounting to \$2,291,150, were received during the year. Of these applications fourteen hundred and ninety six were accepted, for \$2,087,950. The remainder were either declined or in abeyance, waiting further information, at the end of the year.

Your Directors have pleasure in submitting herewith for your approval the thirtieth annual statement of the Company, showing the amount of insurance written and the receipts and disbursements for the year 1896 together with the assets and liabilities of the Company at the close of the year.

The amount of insurance in force has not been greatly increased, but a considerable number of new lives have been added, consequently the distribution of the risk has been widened.

The assets of the Company were increased during the year by \$107,888.91, and are now over six hundred thousand dollars. A very satisfactory result, in view of the considerable amount paid to policyholders for claims and profits.

The security of policyholders, including guarantee capital was at the close of the year \$1,226,113.81, and the liabilities for reserves and all outstanding claims \$708,537.91. Excess of unclaimed guarantee capital, the surplus to policyholders was \$50,575.90.

The death claims amounted to \$94,620, on the lives of thirty six persons. Including the amount applied to dividends, the total premium reductions (\$42,765.70), our total payments to policy holders amounted to \$137,375.00 during the year.

There has been no perceptible improvement in general business, and in consequence life insurance, in common with other lines of business in which money is required at given periods, has been affected unfavorably. In view of the prevailing deflation, the amount of life insurance written and carried is very large. The increase in the amount each year must be accounted for by a better understanding of the advantages afforded thereby.

Our field staff has been strengthened in the past few months and we anticipate our full share of the business to be done.

Your Directors have now to surrender their trust to your hands, and in doing so desire to express their appreciation of the confidence reposed in them from year to year, and to acknowledge the able co-operation and efficient services of the office staff of the Company.

The accompanying certificate from the Company's Audit-vouchers for the correctness of the statements submitted herewith—all accounts, securities and vouchers having been examined by them.

JAMES H. BEATTY, President. DAVID DEXTER, Managing Director.
