

that this kind of planning on the part of the pastors and district officers will be supported loyally by the Leagues on these districts; in fact, the Leagues on these districts will be a grand example to many of our city Leagues. We have heard from Bracebridge, Huntsville and other Leagues; they are doing grand work.

HARRISTON, ONT., January 31st, 1898.

DEAR BROTHER,—We held our week of services under the League's Forward Movement. Then, after an interval of two weeks, we were visited by the Misses Hall, evangelists, of Guelph, and as a result we had nearly two hundred conversions, for which we praise God. Our League has nearly doubled in interest and numbers by the effort.

Yours in His work, J. A. JACKSON.

NASSAGAWEYA, ONT., January 28th, 1898.

DEAR BROTHER,—Your card received. F. Jacombe and myself have arranged to have Leagues visited on the District. *Re* Forward Movement and support of missions, will be glad to arrange for one or more Campaigners to visit the District after the examinations, if suitable arrangements can be made.

Yours sincerely, R. W. SCANLAN,
Sec. Guelph Dist. E. L.

ORILLIA, ONT., January 30th, 1898.

DEAR SIR,—We have about thirty pledged members, and a large number who, though as yet they have not taken the pledge, are praying and paying for missions. We are looking forward to great things along missionary lines. Our Committee are all alive, and are bringing information before the Society at every opportunity.

Yours in the work, ANNIE CAMERON,
Vice-Pres. Missionary Department.

WASHINGTON, ONT., January 20th, 1898.

DEAR BRO.,—Would you be good enough to send me fifteen or twenty copies of the MISSIONARY CAMPAIGNER, back numbers. I want to introduce it in our League. If you have some with the Two-Cents-a-Week Plan explained, etc., so much the better. Have just organized with over twenty-five subscribers at two cents a week. I now want them to come in touch with the CAMPAIGNER. If any cost attached, let me know.

Ever yours, F. W. HOLLINRAKE.

WALKERTON, January 29th, 1898.

DEAR BROTHER,—The following resolution was passed at our late Convention:

"Resolved, That we, the members of the Walkerton District Epworth League Convention, do heartily endorse the plans of the Young People's Forward Movement for Missions as they have been presented, and recommend that each Society and each member be urged to adopt its methods. We recommend further that each League, having been thoroughly canvassed by its Missionary Committee, report to the District Missionary Vice-President the amount they expect to raise within the year, and having thus learned what the District will be able to raise, the District President, Secretary and Missionary Vice-President, together with the Chairman of the District, be a committee to confer with the General Board of Missions, asking them to select a missionary to be supported by the Leagues of the District."

Yours in the work, A. BUTCHART,
Sec. Walkerton Dist. E. L.

DUNHAM, QUE., January 28th, 1898

DEAR BRO. STEVENSON,—We have just held the annual Waterloo District Convention, and had an enthusiastic missionary meeting. Bro. Arthur Runnels, of Wesleyan Theological College, spoke in behalf of the "Forward Movement." . . . You will doubtless get a number of subscribers for your paper; I enclose a list of ten. This District is much in need of Campaign workers, and their visit would do good to the cause of missions.

Sincerely, A. E. SANDERSON,
Sec. Waterloo Dist. E. L.

RAPID CITY, MAN., January 27th, 1898.

DEAR SIR,— . . . By reading the little MISSIONARY CAMPAIGNER, I feel like giving a little of what I lay by for His cause to the Forward Movement for Missions. . . . I send you a draft for \$10, and I will give you \$10 more in the fall, all being well. Wishing you God's blessing on your worthy labors,

I remain, yours, WILLIAM DOHERTY.

[This money was paid to Dr. Sutherland. Are there any others who would like to join with this brother and make up enough to support a native missionary?—ED.]

HAWKSTONE, ONT., February 3rd, 1898.

DEAR BRO. STEPHENSON,—We are in line, and expect before all is over to report a first-class effort for the Campaign Movement. Enclosed please find list of subscribers for the CAMPAIGNER. . . . We expect to do at least \$25.00 on this circuit on the Two-Cents-a-Week Plan. Let us thank God and take courage. Our regular missionary anniversary services subscriptions are almost double what they have ever been in the past. We have not got all around yet; there are still two appointments to hear from. We are feeding "Facts," and, indeed, they are proving grand fuel for the missionary fires that are being kindled. May God hear our earnest prayers for "the evangelization of the world in the present generation."

Yours in the Gospel, HENRY A. FISH.

"The Students' Missionary Campaign" as an Auxiliary Force to the Mis- sionary Department of the Epworth League in Canada.

What is the Missionary Department of the Epworth League?

How should it work?

Why a Students' Missionary Campaign for a Young People's Forward Movement for Missions under the direction of the Church?

I would like each reader to spend at least three minutes in answering each one of these questions for himself before reading a word of what I have to say.

The Missionary Department of the Epworth League is in the hearts of the membership of the League, and will never be perfect until each individual member takes a proper, prayerful, intelligent, sacrificing interest in the extension of our Lord's kingdom.

The Missionary Department is the war department.

A Christian organization is just as strong as its missionary spirit. It may number its members by thousands, even millions. Its resources may be very large. It may be organized and educated in the most perfect way, but lacking a faithful, intelligent, loyal, aggressive, systematic,
