OUR GYMNASIUM.

OUR Gymnasium has not proved to be *all* that had been hoped for; (at the same time we do not wish it to be understood that we pronounce it entirely *useless*.) therefore, this department of our (?) work has been *closed*. No doubt there was a time when it had a *place* in the machinery, but the day of its usefulness seems to have passed, and the Board finally decided to close up the Room. As History repeats itself, so it is possible that this branch may at some future day be resumed; but we believe that there are more direct avenues of approach to, and facilities for reaching young men, with a view to winning them for Christ, and which are more likely to ensure success, and to merit, or at last meet with the Divine approval. We are looking for those avenues, and now feel more liberty, as our eyes are not needed to watch the now closed *side roads*.

SUNDAY AFTERNOON BIBLE CLASS.

DURING the severe illness of Bro. S. R. Briggs, we have been favored by the valuable aid of Mr. John McGregor, who conducted this class with much acceptance, and we have reason to believe that his teaching has been blessed. Mr. Briggs will resume charge on Sunday next. All are invited to the class. Many Ladies' now attend, and others will be cordially welcomed. The hour of meeting is from 3 to 4 P.M.

WORKERS' BIBLE CLASS.

IN this class the Secretary has been much encouraged by the interested manifested. The numbers attending has not been large, but the Lord has blessed in the exposition of the word to those who have heard it.

WINNIPEG ASSOCIATION.

WE are rejoiced to hear of the good work being accomplished by this Association. We believe there exists no more important field within the limits of our Dominion, and, we trust that ere long the Association may be furnished with a building, and all the requirements necessary to help the brethren keep pace with the work. We have been engaged in "helping them to *more* work" by sending a Christian Brother to the Manitoba Excursion train, and distributing to young men, copies of the Winnipeg Association Directory. The Brother who visited the train on Wednesday last, circulated over 150 directories, and he returned from his work with a beaming face, and the remark that it had been a "delightful duty." He said the farewells given by aged parents to departing sons, were most touching; but in more than one instance the mother's heart seemed to be cheered at the thought that there are Christians waiting to welcome the young men on their arrival in Winnipeg, and the words "God bless you," testified to the ray of light which had gleamed athwart the dark hour of farewell. May God richly own the labors of our brethren in the Prairie Province.
