CANADA'S GREAT FAIR.

SEPT. 5TH TO 17TH, 1892.

The citizens of Toronto have voted \$150,000 to the Toronto Industrial Fair for improvements to be made on the grounds for this year's Exhibition, which is to be held from the 5th to the 17th Sept next. About 50 acres have been added to the present grounds and a new race track and new grand stand to seat twelve thousand people is being built and many other improvements are being made. Consequently this year's Fair promises to be greater and better than ever. A large number of fine special attractions have been arranged for and several new features are promised. The exhibits in all departments will be larger and better than at any previous Fair and will include many that have been prepared for the World's Fair next year. Cheap excursions will as usual be run on all railways and the attendance of visitors will no doubt be as large as ever. All entries have to be made on or before the 13th of August, but most of the space in all the buildings for the exhibit of manufactures has already been applied for. For copies of the prize list and programmes drop a post card to Mr. Hill, the Manager, at Toronto.
