

## TENDERS

For sundry works for the Separate School Board of this city will be received up to JUNE 24TH at 5 p.m. Plans and specifications can be seen at the Secretary's office, De La Salle Institute.

The lowest or any tender not necessarily accepted.

REV. M. MCC. O'REILLY,  
Chairman Sites & Building Committee.

## TENDERS

Will be received up to 5 p.m. of FRIDAY, 19TH INST., for building BRICK RESIDENCE on Admiral Road. Lowest or any tender not necessarily accepted.

MANUEL WILLIAMS, Architect,  
3 Temperance Street, Toronto.

## TENDERS WANTED.

The dissentient School Trustees of St. Henri, Montreal, invite tenders for the various artificers works required in the erection of new "Prince Albert" school. Plans and specifications are on view at the office of the Architect, Wm. E. Doran, 85 St. James Street, where tenders are to be delivered on or before Tuesday, June 16th, at noon.

The Trustees do not bind themselves to accept the lowest or any tender.

THOS. BEDFORD, Secretary.

## CONTRACTS OPEN.

YARKEE, ONT.—A new railway station will be erected here at an early date.

WALKERVILLE, ONT.—It is stated that a new mission church will shortly be erected on Lincoln Ave.

STRATFORD, ONT.—The Council has decided to ask tenders for electric lighting for the next five years.

WINNIPEG, MAN.—The erection of the new McDougall Memorial Church will shortly be commenced.

SARNIA, ONT.—The township council of Sarnia proposes to expend the sum of \$8,000 for drainage purposes.

SMITH'S FALLS, ONT.—The new market building will be built of brick, and will have a public hall on the second story.

BERLIN, ONT.—The Council has decided to submit a by-law to the ratepayers with the object of raising \$25,000 for the construction of a sewerage system.

SHERBROOKE, QUE.—The by-law authorizing the issue of debentures to the amount of \$50,000 for permanent improvements has been sanctioned by the Lieut.-Governor.

NIAGARA FALLS, ONT.—Dr. Laing has had plans prepared for a two-storey brick block, containing twelve stores, to be erected at the corner of Clifton avenue and Parks street.

KINGSTON, ONT.—Mr. W. Newlands, architect, invites tenders for the several works required in the erection of a twelve-roomed school on the corner of Union and Frontenac Sts.

VANCOUVER, B. C.—A steel railroad bridge, 6,000 feet in length, is to be constructed over the Columbia river here. The foundations will have to be excavated to the depth of 80 feet below low water.

LISTOWEL, ONT.—Mr. J. C. Hay, president, invites tenders until the 17th inst., for the erection of a brick factory for the Listowel Furniture Co. Full information obtainable at Hay Bros.' office.

ORANGEVILLE, ONT.—Tenders are to be asked for the erection of a new fire hall here. The building will be a two-storey structure, having a frontage on Broadway of 22 feet and on John St. of 76 feet.

MORDEN, MAN.—Plans have been completed for the erection of a new hospital. The building will be three stories and basement, and is expected to be commenced about the 1st of July.

DELTA, ONT.—Tenders are asked for by the South Leeds Agricultural Society for the erection of new buildings on their grounds in this town. Tenders to be in by the 25th June, addressed to Omer Brown, Delta.

NORTH BAY, ONT.—Tenders will be received by Dr. J. W. Carruthers, until the 17th inst., for the erection of a two-storey brick school house. Plans and specifications to be seen at 21 Dunlop street, Barrie.

VICTORIA, B. C.—The plans of Mr. C. J. Soule have been accepted for the erection of the Victoria Agricultural Society's new building. It will have a frontage of 180 feet by a depth of 60 feet, with a large circular tower.

WOODSTOCK, ONT.—It is not unlikely that new tenders will be asked for the completion of the Court House, as Mr. A. J. Brown, of Toronto, to whom the contract was given, has reported an error of \$5,000 in his tender.

OWEN SOUND, ONT.—The Council has adopted plans for the extension of the market building.—The estimates of the Dominion Government provide for the expenditure of \$16,000 on the Owen Sound harbor, and \$8,000 at Warton.

MONTREAL JUNCTION, QUE.—Mr. Jas. Amess is erecting five brick and stone dwellings, to cost \$4,000 each; also two of similar character for Cartissus Bros., costing \$3,000 each, and a residence costing \$4,000 for B. J. Hickey.

HAMILTON, ONT.—The erection of a monument to the late Sir John Macdonald is under consideration.—The County Council has recommended the purchase of Mr. Woodley's farm, near Dundas, as the site for an Industrial Home.

QUEBEC, QUE.—The Jacques Cartier Bank intends to immediately commence the erection of a new bank here, to be built of stone, etc., at a probable cost of \$15,000. Messrs. J. B. Resther & Son, of Montreal, will have charge of the work.

GUELPH, ONT.—The County Council recently visited the Industrial Farm, with a view to deciding on the erection of additional buildings.—The Chairman of the Property Committee invites tenders until the 30th inst. for painting the Court House and other buildings.

HALIFAX, N. S.—The general officer commanding the War Department invites tenders for the supply of 400,000 split and shaved cedar shingles, to be delivered at the Wellington Barracks.—The sum of \$2,500 is to be expended on repairs to the Exhibition buildings.

TORONTO JUNCTION, ONT.—Dr. Gilmour, M. P. P., has purchased 133 feet on the corner of Dundas and Keele Sts., and intends erecting thereon a large block.—The engineer is working on the plans for the Weston bridge over the C.P.R., and will soon be ready to call for tenders for the work.

LONDON, ONT.—At a recent meeting of the County Council a communication was received from the Elgin County Council asking assistance in building a bridge across the Thames river below Delaware.—The City Engineer invites tenders for the laying of cedar block pavements on Maryboro Place.—A sewer is to be constructed on Matland St.—Petitions have been presented to the Board of Works asking for sewers on Bruce street, from the new fire hall to Henry street, and on Waterloo street, from York to King St.

ST. JOHN, N.B.—Mr. R. N. Dean has purchased a lot on St. James street, and intends erecting a residence thereon. Mr. Hugh Doherty is making preparations to erect a building on the corner of St. James and Charlotte Sts.—At a recent meeting of the Board of Trade the secretary read a letter from the Quebec Board of Trade asking their co-operation in urging the Government to build a railway bridge at or near Quebec city, and to construct a railway from Edmunston to Moncton.—The School Trustees have decided to asphalt the Winter street school yard.

TORONTO, ONT.—At a recent meeting of the council of the Canadian Institute, it was decided to recommend to the Institute the erection of a building in the rear of the present site, at an estimated cost of \$6,000.—Mr. J. Hudson, 95 Brunswick avenue, wants tenders for the labor required in erecting the brick and stone work of three houses.—A project is on foot by the members of the Caledonian Society to erect a monu-

ment to Robert Burns, at a cost of about \$25,000. The erection of a Burns Institute and public hall is thought by some to be more advisable.—At a recent meeting of the University Senate, instructions were given for the preparation of plans for a building for the departments of chemistry, mineralogy and geology, at a cost of \$60,000.—Mr. T. Palmer wants tenders for plumbing, painting, gas, and slate roofing of a house on Close avenue, south of High School.—Tenders are invited for building six houses on Dunn avenue. Plans may be seen at 99 Bay street.—The Property Committee of the City Council will recommend repairs to the dock at the eastern point of the Island, and that arrangements be made to build a new one next season.—The *Empire* newspaper asks offers from property owners for the erection or furnishing of premises suited to its business requirements.—The following building permits have been granted: College of Pharmacy, 3-storey bk. add. to college, n. side Gerrard St., nr. Church St., cost \$12,000; J. Scott, four att. 2-storey and attic bk. dwellings, s. side McGill St., w. of Church St., cost \$8,000; O'Keefe & Co., 2-storey bk. storage warehouse, and 3-storey bk. addition to brewery, cor. Victoria and Gould Sts., cost \$12,500; R. Maxwell, det. 2-storey and attic b. f. dwelling, s. side First St., e. of Broadview Ave., cost \$1,600; David Kennedy, det. 2-storey and attic bk. and stone residence and 2-storey bk. stable, n. e. cor. Spencer and Iroquois Aves., cost \$16,000; David Rands, det. 2-storey b. f. dwelling, s. side Lindsay Ave., cost \$1,000; W. W. Mason, five att. 2-storey and attic bk. dwellings with r. e. extensions, e. side Lansdowne Ave., cost \$9,000; John Hudson, pr. s. d. 2-storey and attic bk. dwellings, w. side Dovercourt Rd., n. of College St., cost \$5,000.

MONTREAL, QUE.—The congregation of Grace Church have decided to proceed at once with the erection of their new church on the corner of Fortune and Wellington streets.—The Superintendent of the Water Works Department invites tenders until the 16th inst., for 2,475 tons of cast iron water pipes and 400 tons of special castings.—An inspection was recently made of the Court House by Hon. Mr. Robidoux and Hon. Mr. Boyer, with a view of deciding on the proposed alterations to the offices of the Prothonotary's Department.—A company is being formed to construct a railway from Sorel to St. John's and Iberville.—Tenders are asked by the Water Works Committee for the construction of sewers on the following streets: St. Alphonse Lane, from Dorchester street to St. Catherine street; Albert street, from west of Chaboillez street to Mountain street; Burnett street, from DeLormier avenue to Shaw street; St. Charles Borromeo street, from Prince Arthur street southward; Dorchester street, from St. Constant street westward; Notre Dame street, from Chaboillez street to Mountain street; Nicholet street from Notre Dame street to Ontario street.—An asphalt sidewalk is to be laid on the south side of Notre Dame street, near Chaboillez Square.—Tenders are to be asked at an early date for the erection of a fire station in St. Gabriel's Ward.—Dr. Godfrey will shortly erect two brick residences on Hypolite Street. Messrs. Chausse & Mesnard are the architects.—A brick and stone convent building is to be erected on Dorchester Street by the Redemptorist Fathers. The building will cost about \$80,000.
