IMPORTANT ANNOUNCEMENT, TO THE PUBLIC GENERALLY.

HE Proprietor of the "BEE HIVE STORE" begs leave to state, that he has made CONSIDERABLE REDUCTION in the Prices of his FALL ERABLE REDUCTION in the Prices of his FALL AND WINTER GOODS, more particularly in his LARGE CLOTHING DEPARTMENT; he has reduced them fully 25 per cent, in order to close them out, as he purposes relinquishing that part of his business, owing to his intention of enlarging his Establishment solely for the STAPLE AND FANCY DRY GOODS only. He is desirous of having them sold on his own memoises rather than remove them old on his own premises rather than remove them to any other place for sale, as he is therefore fully de-termined that sold they must be at prices which will command "Large, Immediate, and Extensive Sales." As he is making arrangements to leave here early in Spring to purchase largely in the British and Foreign Market and knowing the necessity of bringing with him the "Cash," in order to be able to meet the grea, competition that now exists in the market, it is needless to say more than that he will require to make Sales of some Thousands, in order to effect the pro-Sales of some Thousands, in order to effect the pro-posed plan. He will, therefore, positively assert nothing that he will not carry out towards the public to the single letter, namely, sell at such very reduced prices as will induce both Town and Country folk to purchase largely at the eclebrated "PEE HIVE STORE", better and more satisfactfully known than Houses of many years standing in Canada West, as well his "Sales" for the past year can oftest.

A Case of Chronic Rheumalism of fifteen years standing, cured by Halford's Balsam and Hope's Pills.

Toronto, 14th Dec., 1848.

Dr. Unquitant:
Dear Sir-I hereby certify that I have been afflicted with Rheumatism for inficen years; for a considerable time I was confined to bed, and the greater part of that time I could not move myself; some of my joints were completely dislocated, my knees were stiff, and all my joints very much swelled; for the last three years, I was scarcely able to do three months' work without suffering the most excitating pains. I was doctored in Europe, by several physicians of the highest standing in the profession, as well as in this province. I was also five months in the Toronto Hospital, and notwithstanding all the means used, I could not get rid of my complaint; indeed I was told by a very respectable physician that I never could be cured, so that at the time my attention was directed to your SIR HENRY HALFORD'S IMPERIAL BALSAM for the cure of Rheumatism and Rheumatic Gout—and Dr. HOPE'S PILLS, I was despairing of ever getting cured; when I called on you I was hardly able to walk, and what was almost miraculous, in three weeks from my commencing to part of that time I could not move myself; some of miraculous, in three weeks from my conuncucing to take your medicine, I gained fourteen pounds in weight; my health was much improved, and in about three weeks more my Rheumatism was completely gone and my health perfectly retored. I now enjoy as good health as any man in Cana a. Since my 18covery I have walked forty-six miles in one day, with perfect freedom, and I assure you, Sir, that feel truly thankful. You can make any us of this you please; my case is known to several individua s of respectability in this city, their names you know, and can

refer to them, if necessary,
Yours, truly and gratefully,
