

A Natural Remedy

Time was when disease was thought to be due to the direct influence of evil spirits, and exorcism and magic were invoked to cast them out.

Science has taught us wisdom. The evil spirits exist, 'tis true; we call them "Disease Germs," and they too, must be cast out. Once lodged in the stomach or intestines, fever with its hallucinations or biliousness with its aches and pains are the results.

Eno's 'Fruit Salt'

is the approved remedy for driving out disease germs. Its action is quick and thorough. It clears the intestines, awakens the torpid liver to new life, stimulates the mucus to a healthy flow, and cleanses and invigorates the whole digestive tract. A single dose will do wonders, a judicious use will make a new man of you and prevent you from backsliding into your old, half-sick self.
