CORNER

St. Peter and St. Sacrament Streets,

MONTREAL.

ALLAN U. MARSHALL, general store, North Sydney, C.B., has assigned. Liabilities about \$1,000; the assets are inventoried at \$450.—Thos. McLellan also of North Sydney, grocer, etc., has assigned. He began early in 1873 and failed in the fall of the same year; has not been regularly in business meantime. He was obliged to give a Bill of Sale on household effects last month.

Jos. Dion, of St. Sauveur near Quebec, hardware dealer, has made but little headway during his 7 or 8 years in business, and has at length been obliged to offer his creditors 50 cents in the dollar cash, which they have decided to accept.—Pierre Pouliot, general dealer, Bellechasse, has assigned to H. A. Bedard of Quebec.—J. P. Perrault, a peddler at St. Anne de la Perade, has also assigned.

AN Ottawa leather dealer, Mr. Richard Woodland, has assigned, showing nominal assets of about \$7,000 outside of some mortgaged real estate, and liabilities of about \$6,000. His cash offer of 40 cents in the dollar was under consideration at last accounts.—Robt. Reardon, late of the firm of W. & R. Reardon, broom manufacturers, Ottawa, started in the grocery business a short time since with limited capital. He has assigned to Baskerville Bros.

The assets of J. E. Marceau, trader, L'Isle-Verte, Que., amounting to \$10,500 are advertised for sale by tender. So are those of R. B. Macklam, of Brighton, Ont., grocer, etc., amounting to \$2,350 of which \$525 are in book-debts. Macklam & Pape were farmers

sons and opened in the summer of 1882. Pape went out the following year; Macklam assigned a few days ago.—J. K. McDonald, hardware, etc., Cornwall, has assigned.

A COMPANY known as the New York Adjustment Co. has lately been formed in New York City, for the purpose of adjusting fire losses for insurance companies who employ no regular adjuster. The expense will be reduced to a minimum, and the companies will have the services of experienced men, who will protect them against fraud, and also see that all reasonable claims of the insured are satisfied. The directors are composed of representatives of both home and foreign companies.

A. D. FREEMAN, general store, Listowell, Ont., who for some time past has been making a mere living in the business, has assigned.—Alex. Wyness, general dealer, Harriston, Ont., has been obliged to assign in default of expected assistance.—Phillip Pottruff, who started a fruit store some few months ago in Hamilton has been visited by the sheriff.—W. G. Walker, confectioner, St. Thomas, who also started there early the present winter, has assigned. Liabilities about \$1,600; assets nominally about \$1,500.

S. Mason & Son, dry goods merchants, Bowmanville, Ont., are offering 70 cents in the dollar, secured, payable in 3, 6, 9, 12, 15 and 18 months.—M. B. Faughner, of Aurora, Ont., recently referred to, has settled at 67½ cents in the dollar.—Raymond & Thorne, hatters, London, Ont., are offering 50 per cent.—H. S. Huber

Berlin, Ont., picture frames, etc., has the bailiff in possession.—The sheriff recently seized the furniture stock of J. G. Starke, Niagara Falls.—C. O. Denoon, of Dungannon, has compromised at 80 cents.

J. C. WELLINGTON, Moose Jaw, Man., general storekeeper, has assigned in trust. He had done very well, having bought his first stock at a bargain, but his ordinary prudence left him when in the midst of his success; the result is seen in his endeavor to effect a settlement at 40 cents in the dollar.—Siocotte & Gagnon, hotel proprietors, Fort William, Man., have the sheriff in possession. They leased the Queen's Hotel there last June, recently built, and went to more expense in fitting up than warranted.

THE Fruit Dealers' Association of Boston are making strong efforts to have the railroads adopt heated cars both on their local and through freight lines. These cars have been in use in the banana trade this winter, and the result has been an increase of 100 per cent in business. Transportation in the ordinary way during the cold season frequently results in a total loss from frost. The introduction of heated cars on all the railroads would, in the opinion of dealers, revolutionize winter business, as well as increasing the amount of freight to the railways.

Mr THOS. WELSH, general store, Arnprior, Ont., has assigned to Mr. Dowdall of Almonte. Liabilities \$1,300; assets nominally about \$700.—The liabilities of Mr. J. C. Worthington of
