TO HOLMAN PAD CO., 116 Hollis St., Halifax. GENTLEMEN, I suffered for many years from an impaired digestion, an ail which rendered me anything but an agreeable companion. At times, during an especially bad attack, the pain in the region of the heart would be terrific, causing me to become insensible in a moment. I tried many remedies, but without any permanent benefit; my last despair would be invariably worse than the first; until I concluded to try one of the Holman Liver Pads. During the first two weeks of wearing it, I thought it was like the many other remedies I had tried, unable to reach my case, but then I gradually began to grow better, a fact I realized in being able to lie up on my left side for quite a long time without inconvenience. I continued wearing the Pad and wore it only in day time for two months longer; at the end of which time I ceased to be troubled with indigestion altogether, and appeared as though I were not of very rare occurrence, and these I have no doubt, will ultimately cure me. Perhaps little further information from you at this point would have been desirable. Without troubling you with further details of my complaint and sufferings, I have only to add that I can confidently recommend the Holman Liver Pad and Remedies from personal experience of the benefits derived from their use; and I consider that I am to overstate their value to those similarly afflicted as I have been. Yours faithfully, C. C. PATRICKSON.
