The Service You Want

While we are constantly endeavoring to increase the volume of our business, we realize that we can best do this by properly serving the interests of our customers, both in the careful selection of investments, and in the safeguarding of their interests.

The service which we will give you as a customer will not end with the sale of one or more securities to you, as we have established a special department for the purpose of exercising a watchful care over your interests and the safety of your investment.

We are always pleased to have our customers send us their coupons and bonds when they mature. We look after their collection for them.
