At Edmonton eggs sell at 30 cents per dozen and fresh butter is scarce at 40 cents.

DURING the month of April 102 cars of salt were shipped from the works of Gray, Young, & Sparling, at Seaforth.

A good many of the people who are settling in Canada, says the *Yonkers Statesman*, are those who have neglected to do any settling over here.

The tin syndicate couldn't hold the pace, but it still has the call on copper. Brass is bound to win. This is the way the *Philadelphia Record* puts it.

OIL SPRINGS, Ont., has upwards of one thousand inhabitants, and all branches of trade well represented. It is said that a bank is badly needed there.

EVERY person, says an exchange, can be kept reasonably busy by attending to his own business, but there are many who insist upon being overworked.

GEORGE MURPHY, an Ottawa shoe dealer, has effected a compromise at fifty-five cents on the dollar, secured by his principal creditor. He owes about \$5,500.

O'NEIL & JUDD, ship chandlers, Quebec, have failed, and the estate will likely turn out poorly; liabilities are stated at \$4,000, a considerable portion being on accommodation paper.

A SHEET of building paper thirty miles long and 32½ inches wide was turned out of the Northumberland Paper Mills, at Campbellford, the other day. The machinery ran seventy-four hours without a break.

W. DODD & Co., grocers, Montreal, have called a meeting of creditors, and liabilities are stated at \$8,000. Dodd failed before, in the year 1884, when his estate panned out very poorly, and he subsequently resumed under cover of his wife's name.
