Municipal Debentures Wanted

THE UNDERSIGNED IS DESIROUS OF PURCHASING ALL

Debentures of Towns, Villages, Townships & Counties

As they are issued (no matter for what purpose), and will pay the very highest prices for them. MUNICIPAL OFFICERS will kindly bear this in mind and write, sending particulars and copy of By-laws, &c., at any time they are issuing debentures for sale. Money to loan on first mortgage at very lowest rates of interest. Any assistance required in making the necessary calculations for insertion in by-laws in connection with the sinking fund, etc., will be gladly given.

THE WESTERN REVERSIBLE ROAD MACHINE

Has met in competitive trials in all kinds of soil all the other machines whose backers dared enter the list of competitors, and

Never failed to prove its superiority
over all others . . .

In the opinion of a large majority of the taxpayers witnessing the contests. As a result of these trials our agents have sold the Western in every case where merit was the determining consideration.

The Western Reversible is an all-
steel Machine . . .

(With steel or wood wheels as preferred). It is strong and durable, easily operated, being under perfect control of the operator from his place on the machine, and all necessary changes can be made by him while machine is in operation.

. . . Received Highest Award at the World's Fair . . .

WE WARRANT Our All-Steel Western Reversible Machine to save 75 per cent. of the cost of making roads in the old way; to do its own plowing in the hardest soils, to make a ditch 24 inches deep in any soil in fit condition for plowing; to be as light draft as any grader doing a like amount of work; to be made of good material and workmanship; to work on rough and uneven ground; to plow down banks and shoulders outside of wheels; to fill ditches besides doing all work that any other Road Machine will do. The Machines are sold on contracts, providing that the Machine shall be operated in the township buying them before settlement shall be required. **Machines Sent on Trial,**

Rock Crushers, Wheeled Scrapers, Drag Scrapers and Road Plows kept on hand at branch office in London. Correspondence solicited. For catalogues, price lists, etc., address
