When I was speaking this afternoon between 2.40 and 2.50 I referred several times to the proposition that if this motion were to carry the votes at the end of the Committee of the Whole stage would take place at a quarter to six on Wednesday. That statement was obviously based on the assumption that there would be four more days for discussion. However, when I study the motion carefully I realize that the four days could end on Tuesday. Therefore, when I said the votes would be taken at a quarter to six on Wednesday I should have said they would be taken at a quarter to ten on Tuesday night.

Mr. Speaker: I am not sure I accept the interpretation of the hon. member at this moment, without reflection, but I understand he is making his point in order to correct his interpretation of the Standing Order.

Mr. Knowles (Winnipeg North Centre): And only if the motion passes.

Mr. Speaker: That is correct.

It being 4.17 o'clock p.m., the two hours provided for the consideration of Standing Order 75c have now expired. Accordingly, under the terms of the said Standing Order it is my duty to interrupt the proceedings and put every question necessary to dispose of the said motion. Order, please.

Mr. Knowles (Winnipeg North Centre): Order.

Mr. Speaker: May we have order, please?

Some hon. Members: Remove him!

Mr. Mahoney: Out!

Mr. Speaker: I would again remind hon. members of the admonition which was delivered earlier today. We should make an effort to keep in mind the provisions of the Standing Order while the question is being put.

The House divided on the motion (Mr. MacEachen) which was agreed to on the following division.
