HOUSE OF COMMONS

MOTION TO ADJOURN

Mr. Léonel Beaudoin (Richmond): Mr. Speaker, in view of the fact that many milk producers are being penalized by way of a withholding of the subsidies they have earned on the January 1978 production for the quotas they have respected, and since nothing has been provided by the government to regulate the implementation of quotas and since certain delay is needed to hold a cabinet meeting where alternatives could be submitted which could settle that intolerable situation for Canadian milk producers, I move, seconded by the hon. member for Bellechasse (Mr. Lambert):

That this House do now adjourn.

Mr. Speaker: Is it the pleasure of the House to adopt the motion?

Some hon. Members: Agreed.

Some hon. Members: No.

Mr. Speaker: Those in favour of the motion will please say yea.

Some hon. Members: Yea.

Mr. Speaker: Those opposed to the motion will please say nay.

Some hon. Members: Nay.

Mr. Speaker: In my opinion the nays have it.

And more than five members having risen:

Mr. Speaker: Call in the members.
