## AUTHORIZATION FOR STANDING COMMITTEE TO TRAVEL

**Hon. Doug Lewis (Minister of State and Minister of State (Treasury Board)):** Mr. Speaker, there have been discussions among the Parties with respect to travel by the Standing Committee on Multiculturalism and I think you will find unanimous consent for the following motion to be put and voted upon immediately. Therefore, I move:

**Mr. Deputy Speaker:** Does the Hon. Minister of State (Mr. Lewis) have unanimous consent to move the motion?

**Some Hon. Members:** Agreed.

**Mr. Deputy Speaker:** The House has heard the terms of the motion. Is it the pleasure of the House to adopt the motion?

**BUSINESS OF THE HOUSE**

**Mr. Angus:** Mr. Speaker, with respect to the discussions between the NDP and Government House Leaders, one of the items not mentioned today concerning future business was that of Bill C-51, the anti-smoking legislation. Can the Government House Leader indicate whether or not the commitment that during the first week the House returns that Bill would be brought forward and dealt with, I believe at second reading, will be kept?

**Mr. Mazankowski:** Mr. Speaker, I indicated the order of business for Monday and a couple of stand-by Bills, and the fact we could have an Opposition Day. Of course we will take that into consideration and, as is customary, the order of business can change from time to time.

**Mr. Angus:** Mr. Speaker, is the Deputy Prime Minister indicating that, providing scheduling permits, during that first week Bill C-51 will be dealt with depending on the progress of the other legislation in combination with the Opposition Day?
