Mr. C. W. MacLean,
Sun Life Assurance Company,
Montreal. P. Q.

Dear Mr. MacLean,

I should have written you before this to confirm our telephone conversation when on behalf of Sir Arthur Currie I engaged the services of the Band of the Royal Montreal Regiment for the Ceremony and Garden Party on McGill University Campus on the afternoon of Friday, May twenty-ninth.

The ceremony of the Presentation of the Whitney Friendship Fountain begins at four o'clock sharp, and the Garden Party follows. As the Governor-General is to be present at both functions and there are other special circumstances this year, Sir Arthur would like to consult with the Bandmaster about the programme. Could you arrange for him to come to the University early next week to see Sir Arthur? We are closed on Monday.

Mr. Finley, the Purchasing Agent, is in charge of all arrangements, and perhaps it would be as well also for the Bandmaster to see him the day he comes to see Sir Arthur.

Yours truly,

Secretary to the Principal
