WORKMAN INJURED BY FALLING LOG

Andrew Chart Got Skull Fractured While at Work in Sewer.

NEWS OF WARD SEVEN

Conservatives Arrange for Annual Meeting on Friday.

While at work yesterday afternoon about 2 o'clock in the excavation for the huge Woodville avenue trunk sewer near Annette street, Andrew Chart, employed by the contractor, Douglas Graham, was struck on the head by a large falling timber and seriously hurt. Chart was shaping the sides of the excavation to a depth of about 15 feet, when, in some manner, possibly by a passing dump-car, a large 6 by 4 log of timber was dislodged above and fell, pinning the unfortunate workman to the ground. He was picked up unconscious, and after Dr. O'Leary had rendered first aid, he was rushed in speaker's ambulance to the Western Hospital, where it was found he was suffering from concussion of the brain, in addition to his body being badly bruised by the fall of the timber.

The death occurred yesterday, after a lingering illness, of one of the oldest residents of West Toronto, Selby D. Perry, at his home, 171 Evelyn avenue, in his 50th year. He late Mr. Perry was born in Bruce County, but came to West Toronto fifteen years ago as superintendent of the Equity Fire Insurance Co. He was a member of the High Park Avenue Methodist Church, and was well known in Masonic circles. He is survived by a widow and grown up family. The funeral will be held under the auspices of Stanley Lodge, A.F. and A.M., of which the deceased was a member, and Rev. Dr. T. J. Treleaven of High Park Methodist Church will conduct the service. Interment will take place on Thursday afternoon in Prospect Cemetery.

The Ward Seven Liberal-Conservative Association is planning a big time for their annual election of officers on Friday evening, March 20, in the Annette Street Masonic Temple. In addition to an excellent musical program, addresses will be given by W. F. Maclean, M.P.; Dr. Forbes Godfrey, M.L.A., and several others prominent in political life.

The residents of Cleuden avenue have been complaining to the city council about the action of the contractor in charge of the sewer work on their street in piling the large, heavy iron pipes on their lawns and flower beds, without leave or regard to shrubs and budding spring bulbs. Ald. Byrding has promised to take the matter up, and have the objectionable obstacles removed forthwith.

Darcy Hinds, the well known pro-motor agitator, delivered an address last evening in the basement of St. Cecilia's Church on the subject of "The Race." The occasion was the church's annual St. Patrick's concert, and an excellent program of Irish selections was rendered.

TOPMORDEN ANGLICANS IN FAVOR OF SEPARATION

The petition which is being circulated among the English Church people in Topmorden for the separation of the Church of St. Andrew from the parish of Chester, is being largely signed, and clearly shows the feeling of the Anglicans in the parish.

GREAT PROGRESS MADE BY GLENMOUNT S. SCHOOL

At the anniversary of the Sunday school of Glenmount Methodist Church, the secretary reported that 84 members were placed on the roll in 1913, while during the year the average attendance was only 42. The receipts were \$100, and expenditures \$89, leaving a balance of \$11.

ARBITRATORS APPOINTED TO DIVIDE S. SECTION

The York Township Council has appointed Geo. S. Henry, M.L.A., to represent School Section No. 24 on the board of arbitrators which will make a division of Public School Section No. 24, York Township, and No. 5, Etobicoke, and the Etobicoke Council will appoint its representative at their next meeting.

PASSENGERS WADE THRU MUD TO CARS

Dirty Crossings Discussed at Meeting of West Earlscourt B. I. A.

A. C. PRATT TO SPEAK

Will Address the Members on "Back to the Land" Next Monday.

At a meeting of West Earlscourt Branch B.I.A., held in Hughes School, Caledonia avenue, last night, the members decided to continue the rebuilding of G. Wright's house, which was destroyed by fire almost two months ago.

A number of building mechanics volunteered their services to complete the work. The meeting was sparsely attended, owing, no doubt, to the inability of Controller McHenry to attend. Controller had promised to speak at the meeting, but had to fulfill a previous important engagement.

Will Extend Crossing. A letter to the effect that the works department proposed extending the crossing at the intersection of St. Clair and Caledonia avenues six feet further west to allow ample room for pedestrians to walk round the end of the crossing. This work has been completed since the receipt of the letter, which was received some time ago by A. Kelly, secretary of the association.

Wade Thru Mud. It was brought to the notice of the St. Clair cars were compelled to wade through mud when boarding or alighting from the cars owing to the bad state of the crossings at Lakeshore avenue, Avenue road, McRoberts and other stops along the line.

The secretary was instructed to write Works Commissioner Harris and ask that the cars be placed in the mud at the crossing until the end of spring or their own decision.

Mayor Hocken sent a communication expressing his willingness to provide at the B.I.A. concert, which will be held in the Hughes School on April 7. M.L.A. will give a lecture in Oakwood High School next Monday on "Back to the Land."

The annual meeting of the Women's Auxiliary of St. Michael and All Angels Church, Wychwood, took place yesterday afternoon at 2:30 in the schoolroom. Mrs. W. J. Brain, president, was in the chair. The following officers were elected for the ensuing year: Mrs. W. J. Brain, president; Mrs. F. Blatherwick, vice-president; Mrs. Frank Piper, second vice-president; Mrs. J. B. Woodworth, treasurer; Mrs. Mitchell, secretary; Mrs. Brown, Dorcas secretary-treasurer; Mrs. Davis, assistant secretary; Mrs. Warren, E.C.D. treasurer; Mrs. Shorro, branch secretary; and Mrs. Downer, branch representative, diocesan board.

Two life members elected were Mrs. Downer, who was proposed by her sister, Miss Guy, and Mrs. Blatherwick, the retiring Dorcas secretary, was made a life member of the branch as a mark of appreciation of her faithful work.

After the election of officers, refreshments were served to the gathering, and the secretary, spoke of the work amongst the Blackfeet Indians. Miss Guy, assistant in the Jewish mission, spoke of the excellent work being done amongst the Jews. The chairman, Mrs. W. J. Brain, spoke of the experiences of the branch, and the work done through the past year, and Rev. W. J. Brain gave a short address.

Creekside Gun Club

Creekside Gun Club, Wychwood, will hold their annual shoot on Saturday next for the out-class prizes. Present the prizes in Harris' drug store window, where they are on call, on the Bathurst street, opposite the Bell Telephone Company's Hillside Exchange. The club will continue to shoot until April 22, when it will be disbanded.

Children's Bazaar

A very successful children's bazaar was held in St. David's Church, Harvey avenue, yesterday, from four in the afternoon to nine in the evening, under the auspices of the Sunshine Club. There was a fair attendance throughout the day, and the arrangements were under the supervision of Mrs. H. Lee, the superintendent of the club, who was indefatigable in her efforts to make it present and enjoyable. A concert was given by the children at seven o'clock to nine, at which Rev. A. J. Mustard presided. The proceeds will be devoted to the new building fund.

Rev. Dr. Duffin

Rev. Dr. Duffin gave a very interesting and instructive lecture very much appreciated by over one hundred listeners to a large audience last evening in Duffin Street Presbyterian Church. The lecturer, having travelled extensively in the East, and told his hearers many personal reminiscences of his tour.

Yarmouth Lodge

S. O. E. Yarmouth Lodge, held a most successful business meeting last evening in Hillcrest Hall, Aitken avenue. There was a large number of members present.

Children's Concert

A concert, held under the auspices of the Epworth League, finished last evening, filled the large auditorium of Central Methodist Church to its capacity. The program opened with a pretty rose drill by the boys and girls, followed by a tableaux "Nursery Rhymes," and cantata entitled "Boy Blue," by the children in costume. There were also solos, recitations and musical numbers. Rev. A. Wallace presided.

S. O. L. Concert

The sixth annual concert, and box social, in Little's Hall, Rev. R. A. Spencer, District Master, of West York, presiding. A large number of members and visitors from outside lodges were present. A most enjoyable evening being spent.

WANLESS LECTURES ON MARKETS AGAIN

Meeting of Beaches Association at Balmy Beach Last Night.

MANY LADY SPEAKERS

All Spoke Strongly in Favor of Municipal Market Scheme.

Mrs. Mearns, Mrs. Oler Wade, Miss Alderman Wanless laid their views on the proposed civic market on a large meeting of the Beaches Association, held last night in the Hall, Balmy Beach, last night. W. E. Orr presiding.

Mrs. Wanless dealt mainly with the chief objections which are being raised against these markets, the most common being that impure and diseased food would be sold. The speaker pointed out that this would all be dealt with by the medical health department.

Another objection raised was that markets have hitherto been conducted at a loss. Grocers pointed to the St. Lawrence St. Andrew's and St. Patrick's markets as examples. Mr. Wanless answered the argument put forward that markets are obsolete, the alderman referred to the way in which they are being advocated throughout the States.

They also stated that the farmers will charge as much as the storekeepers, said Mr. Wanless, "but vegetable growers have guaranteed a saving of twenty-five per cent. to the consumer."

The objection that farmers would not come to their goods, Mr. Wanless and people would not patronize them were soon answered by the alderman. He claimed that the farmers are looking for the market as they pass from the producer to the consumer have to pass through the market.

Food Being Imported. Whereas a few years ago Canada used to be exporting a large number of foodstuffs to the United States, he stated that the incoming foodstuffs are now imported in large quantities. He stated that the incoming foodstuffs are now imported in large quantities.

FOUR THOUSAND DOLLAR FIRE AT NEW TORONTO

Fire which broke out in the shoe store of Wm. Crothall, New Toronto, completely gutted the building and spread to a shed belonging to J. McCallum, owned by James Dunn, and did damage to the extent of \$4000.

It took eleven hours of hose to reach the nearest water main, and when the door of the store was burst open the wind fanned the fire and it was in a blaze, and the building, which was a one-story frame one, was ruined, despite the efforts of the volunteer brigade.

The large shed next received the attention of the firemen, but, with the exception of two horses, which were removed to safety, everything it contained was destroyed.

Mr. Crothall's property was insured for \$2000, and the damage totaled \$2650. Messrs. Warming to J. McCallum and Dunn, owners of the property, which was not insured, and the origin of the fire is a mystery.

MUNICIPALITY MUST PAY THREE THOUSAND DOLLARS

Mr. Justice Lennox had issued an order that the town of Oakville must pay the sum of \$3000 for the death of Harker, who was electrocuted on April 11, 1913, and a suit was entered against the town, the municipal lighting plant being held responsible.

The large shed next received the attention of the firemen, but, with the exception of two horses, which were removed to safety, everything it contained was destroyed.

PORTRAITS PRESENTED TO RIVERDALE SCHOOL

The principal of Riverdale Collegiate Institute has just received signed portraits of Mr. Laurier and Right Hon. R. L. Borden.

NO GRENADEER ICE GOING TO BUFFALO AS REPORTED

The Grenadier Ice Company want to contradict a report that they have been shipping ice to Buffalo. The fact is that the three hundred cars recently loaded were shipped to Toronto for home consumption.

CARLTON SCHOOL BOYS ARRANGE A BANQUET

Carlton Street School Old Boys' Association have decided to hold a banquet in the Masonic Temple, Annette street, on Wednesday, March 25.

EXTENSIVE CREDIT SALE

of horses, dairy cattle, implements, grain, hay, roots, fowl, etc. The undersigned auctioneers will sell by public auction on Wednesday, March 25, 1914, at lot 7, con. 3, East York, York and Scarborough townline, near Todmorden, known as the J. H. Taylor farm, due west of Mr. Tolson's farm, the following valuable property belonging to Mr. Thomas Boyd: Horses, harness, cattle, hay, grain and fowl implements, terms, 7 months' credit on approved joint notes, 5 per cent. per annum allowed for cash. A FEW dollars invested in carefully selected property at a low price will pay you a goodly rate of interest.

Property that is close in—Property that is easily reached—

Property that is in the path of progress is as certain to return you good profits as you are certain night follows day.

ENGLEWOOD AND RIDGEWOOD

(Part of Massey Estate) Has all these advantages, and you can buy here at prices ranging from

\$17.00

PER FOOT—EASY PAYMENTS

Situated on Danforth Avenue.

Improvements cause values to increase. Improvements are under way in the East End—There are greater improvements to be made—Higher prices are inevitable—The East End is developing and developing rapidly—You can see for yourself.

Our comfortable Motor Cars and courteous salesmen are at your command by appointment—No harm done if you do not buy—Phone or write our office today; or fill in the coupon and mail NOW.

ROBINS LIMITED

The Robins Building VICTORIA @ RICHMOND STREETS Telephone Adelaide 3200

Estimates uestion. Settled at Conference With Board of Control—Increased Assessment Will Cover Maintenance Charges—Sites and Buildings to Be Paid for by Debentures.

OVER FOUR MILLION DOLLARS GOES TO BOARD OF EDUCATION

The board also requires \$2,405,092 to be raised on debentures for sites and buildings. As the increase does not exceed the growth of revenue from the increase of the school taxes the mayor and controllers gave satisfactory assurances to the trustees. Mutual felicitations were exchanged that friction between the boards of control and the board of education had become a thing of the past.

ST. PATRICK'S CONCERT ADDRESS BY W. G. ELLIS

Whether St. Patrick was an Irishman or a Frenchman was the subject of an address last night by W. G. Ellis at a concert under the auspices of Daviville Presbyterian Church held in the old town hall, Edgmont.

SHIELDS INQUEST WAS ADJOURNED TO SATURDAY

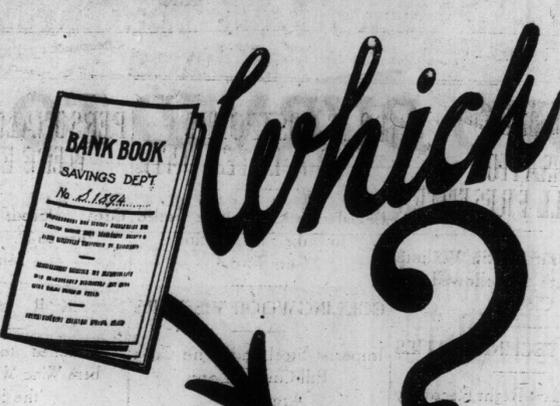

An inquest on the body of W. Shields, who was found dead in the lavatory of the Riverdale High School yesterday morning, was adjourned at the morgue last night, and adjourned until March 28.

TORONTO ARTISTS BUY PROPERTY AT THORNHILL

David Boyle, who sold his farm to the city, has purchased a fine home on Centre street, Thornhill, Ontario, for \$150,000. J. H. MacDonald, one of the artists who lived here last summer, has purchased the Norman property, consisting of four acres on Centre street, for \$65,000.

FERRYBOAT HIT FLOAT TWO LIVES WERE LOST

NEW YORK, March 17.—Two persons were killed and seven injured, three seriously, late today when the Lackawanna Railroad ferry boat Ithaca crashed into a railroad float being towed down the Hudson River by a Central Railroad of New Jersey tug. All killed and injured were passengers on the Ithaca.

STOMACH TROUBLES Due to Acidity

So Says Eminent Specialist. So-called stomach troubles, such as indigestion, wind, stomach-ache and inability to retain food, are in probably many cases out of the simply evidence that fermentation is taking place in the food contents of the stomach, causing the formation of gas and acids. Wind distends the stomach, and causes that full, oppressive feeling sometimes known as heartburn, while the acid irritates and inflames the delicate lining of the stomach. The trouble lies entirely in the fermentation. Such fermentation, if not prevented, fermentation of the food contents of the stomach, and causes that full, oppressive feeling sometimes known as heartburn, while the acid irritates and inflames the delicate lining of the stomach. The trouble lies entirely in the fermentation. Such fermentation, if not prevented, fermentation of the food contents of the stomach, and causes that full, oppressive feeling sometimes known as heartburn, while the acid irritates and inflames the delicate lining of the stomach. The trouble lies entirely in the fermentation. Such fermentation, if not prevented, fermentation of the food contents of the stomach, and causes that full, oppressive feeling sometimes known as heartburn, while the acid irritates and inflames the delicate lining of the stomach. The trouble lies entirely in the fermentation. Such fermentation, if not prevented, fermentation of the food contents of the stomach, and causes that full, oppressive feeling sometimes known as heartburn, while the acid irritates and inflames the delicate lining of the stomach. The trouble lies entirely in the fermentation. Such fermentation, if not prevented, fermentation of the food contents of the stomach, and causes that full, oppressive feeling sometimes known as heartburn, while the acid irritates and inflames the delicate lining of the stomach. The trouble lies entirely in the fermentation. Such fermentation, if not prevented, fermentation of the food contents of the stomach, and causes that full, oppressive feeling sometimes known as heartburn, while the acid irritates and inflames the delicate lining of the stomach. The trouble lies entirely in the fermentation. Such fermentation, if not prevented, fermentation of the food contents of the stomach, and causes that full, oppressive feeling sometimes known as heartburn, while the acid irritates and inflames the delicate lining of the stomach. The trouble lies entirely in the fermentation. Such fermentation, if not prevented, fermentation of the food contents of the stomach, and causes that full, oppressive feeling sometimes known as heartburn, while the acid irritates and inflames the delicate lining of the stomach. The trouble lies entirely in the fermentation. Such fermentation, if not prevented, fermentation of the food contents of the stomach, and causes that full, oppressive feeling sometimes known as heartburn, while the acid irritates and inflames the delicate lining of the stomach. The trouble lies entirely in the fermentation. Such fermentation, if not prevented, fermentation of the food contents of the stomach, and causes that full, oppressive feeling sometimes known as heartburn, while the acid irritates and inflames the delicate lining of the stomach. The trouble lies entirely in the fermentation. Such fermentation, if not prevented, fermentation of the food contents of the stomach, and causes that full, oppressive feeling sometimes known as heartburn, while the acid irritates and inflames the delicate lining of the stomach. The trouble lies entirely in the fermentation. Such fermentation, if not prevented, fermentation of the food contents of the stomach, and causes that full, oppressive feeling sometimes known as heartburn, while the acid irritates and inflames the delicate lining of the stomach. The trouble lies entirely in the fermentation. Such fermentation, if not prevented, fermentation of the food contents of the stomach, and causes that full, oppressive feeling sometimes known as heartburn, while the acid irritates and inflames the delicate lining of the stomach.
