## MARKSMEN PREPARE FOR ONTARIO MEET

Take Advantage of Half-Holiday to Practice at Ranges.

## CHALLENGE TO BUFFALO

Irish Rifles Will Try to Break Seventy-Fourth's Record.

With the opening of the Ontario Rifle Association meeting only some two weeks away, the Long Branch rifle ranges are being frequented on Wednesday afternoons by a number of marksmen, and conditions yesterday afternoon being favorable, a record of scoring attained a high level. While in the morning the wind proved tricky, during the afternoon a light and steady wind prevailed from two o'clock direction, towards the close of the shooting it veered round to a direction directly from the rear. The scores of 102 recorded by Captain John Hutchison of the Q.O.R., and Private R. W. Campbell of the 48th Highlanders were remarkably good scores for the day, considering that the running light gave some little trouble to the riflemen. Forty-six out of a possible 50 were recorded by Private Campbell and by Staff-Sgt. T. S. Bayles of the Q.O.R.

The higher scores were as follows: Queen's Own Rifles. Captain J. Hutchison, 102; Pte. J. Richardson, 101; Pte. G. Milligan, 101; Sgt. R. F. Reid, 97; Pte. J. C. Keatings, 97; Sgt. Z. H. Morris, 96; Pte. George Weir, 95; Corp. A. Lucas, 95; Pte. W. E. Hartman, 95; Corp. H. C. Good, 94; Pte. C. D. Hall, 93; Pte. E. C. Schofield, 91; Color-Sgt. F. W. Moore, 90.

48th Highlanders. Pte. R. W. Campbell, 102; Bandman Rostrom, 100; Staff-Sgt. W. Davidson, 98; Pte. W. Newell, 90. 10th Royal Grenadier Guards. E. Coath, 101; R. McDonagh, 100; A. Eno, 100; E. Doherty, 99; S. Dean, 98; R. Kerr, 97; R. Corrigan, 96.

It is announced by Captain Armour A. Miller, the secretary of the O.R.A., that in the event of the 40th anniversary of the new long range not being completed in time for use at the O.R.A. matches, the executive committee reserves the right to make the necessary alterations in the program, as the matches have been arranged on the supposition that the new 800, 900 and 1000 yards ranges would be ready by August 17, the opening date of the meeting.

Contractors Hopeful. The general contractors, Messrs. Sherwood and Herwood, of Toronto, however, entertain no doubt that their work will be ready in good time. The stop-work is already added in part, and 14 of the timber boards are fixed in position. The markers' shelter built of concrete, has been finished some time and the target frames have been deposited on the site ready to be set up.

Shelter Finished. Of the two concrete target shelters, one is finished and the reinforced concrete flat roof of the other is now being laid. The mounds at the firing points have been raised. Those at the 800 and 900 yards distances are already sodded, and enough sods have been cut to cover that at the 1000 yards distance.

Challenge Match. The 74th Regiment of Buffalo has been challenged to a match on Aug. 16 by the Irish Rifle Club. For years the 74th Buffalo has carried everything before it, till it is credited with being the crack regiment of New York State. Recently it has twice defeated the 13th York Rangers. As there are many good shots in the Irish Rifle Club, the club is hopeful of breaking the remarkable record of the 74th Regiment of Buffalo.

## WARD SEVEN INDIGNANT RE MOTOR BUS REPORT

Hope That Transportation Problem is Not to Be Shelved.

The report of the works commissioner on the inadvisability of running motor buses as a solution of the transportation problem aroused considerable discussion among ward seven citizens, and indignation was freely expressed at the prospects of West Toronto going without a respectable service for another year.

Would Rather Walk. "A few buses as a 'tryout' system will be no good in West Toronto, and people would rather walk than pay two fares. My property is decreasing in value monthly, as other parts of the city more than this district are given civic lines or better facilities. We who help pay for them receive nothing."

The Raters' Association, which has been enjoying a vacation recently, will in all probability take up the matter of transportation again and present it until they force the city to commence some remedy. A meeting of the executive will be held this week.

Baby Show Attracts. As usual the Humane Society's Conservatives' Baby Show, which is held annually at their huge picnic on Civic Holiday, is again attracting a great deal of interest from the long list of entries received it promises to be one of the most successful yet held.

A five-foot cement sidewalk is in course of construction on Glendonwyne road on the north side. At its junction with Quebec avenue the road will be several feet higher than the roadbed and will be built on an embankment. The road will later be filled in to the required level.

## NEW BEACH ATHLETIC SPORTS ON THE HOLIDAY

The 19th annual athletic program will be put on at Kew Beach Club's Holiday, at Kew Gardens. The events are open to all residents of Kew Beach. In the morning athletic events will be run off in the park, and in the afternoon aquatic races will be held on the lake in front of Kew Gardens.

## VEGETABLE GROWERS TO MEET AT ISLINGTON

The Toronto Vegetable Growers' Association will hold their next regular meeting at the gardens of R. H. Teir, Islington, on Saturday at 3 p.m. Mr. Teir will meet the radical cars at Lambton Mills at 2.30. The committee has completed arrangements for the annual excursion to Niagara Falls on Aug. 5.

Settlers' Excursion to Points on T. & N. O. Ry. Halleybury and North, July 30. The Grand Trunk Railway will sell round trip second-class tickets at reduced fares from all stations in Canada to the points of Timiskaming and north, good going Thursday, July 30, and valid to return until Sunday, Aug. 2, 1914.

Train leaves Toronto 2.05 a.m. and 8.20 p.m. daily, running through to Cochrane without change. This is an excellent opportunity for northern Ontario and spend a few days in that picturesque country and select a home.

Full particulars and tickets at Grand Trunk ticket offices, Toronto city office, northwest corner King and Yonge streets, phone Main 4209.

## REFUSED TO CO-OPERATE TOWARD IMPROVEMENT

No Protecting and Possible Between S. K. and Livic Car Tracks.

Commissioner Harris informed W. R. Cowan, secretary of the Ossington Raters' Association, that the permanent construction promised by the works department at the intersection of St. Clair avenue and Avenue road some time ago, was subject to securing the approval of the Toronto Street Railway to an arrangement suggested by the department which would greatly improve the intersection.

Clearance Insufficient. A protecting rail between the Toronto Street Railway and civic tracks, which would be necessary to clear the intersection, cannot be placed, under existing conditions, owing to insufficient clearance.

Earlscourt News. St. Mark's Anglican Church garden party and picnic, held on Sunderland football ground yesterday afternoon, was probably the most successful ever held in the district. Upwards of 2000 people were present and weather conditions were all that could be desired.

B. I. A. Flower Show. At a meeting of the B. I. A. horticultural committee, held at the Royal George Hotel, the committee will be made up of the enterprise and will be pleased to see what can be done towards making the venture a success. It was decided to make the show a private one, as far as possible, and side-shows and entertainments of various kinds will be arranged.

Earlscourt football team are now at the top of the league, and are going strong for the championship. They will play the Ontario team at Earlscourt grounds Saturday, and on Wednesday next will play in the semi-final of the Kenyon Charity Cup.

St. Chad's Anglican Church garden party and picnic will take place in the church grounds, Dufferin street, on Saturday, August 1. The band of the Canadian Army Service Corps will supply the music, and a good program of sports has been arranged.

## N. TORONTO RETAIL MERCHANTS' PICNIC

Large Number Present at Association's Annual Outing.

## BIG SPORTS PROGRAM

Ladies Broke All Records in Spite of Hobbles.

Yesterday the members of the North Toronto Retail Merchants' Association held their annual picnic at Centre Island and over 600 were present. The weather was delightful for the outing, and the success which attended it was due to the excellent arrangements made and carried out by a very energetic committee, which left nothing undone in the way of accommodation for the large crowd.

Spills Frequent. "Spills" were frequent in many of the races, owing to the number of starters, but no one met with any injury. The wheelbarrow and sack races put the competitors to a severe test, and the ladies' sprint in tight hobbles was the cause of much merriment. So keen was the competition in many of the contests that the judges had much difficulty in making a decision, and some of the races were run over.

The following is the list of prize winners: Number race, ladies and gents—J. Phyllis Twiddle and J. Penny; 2, J. Ed. Dora; 3, Thomas; 4, Ruth Britnell and S. Patchett.

100 yards, for drivers—J. J. Connolly; 100 yards, for ladies—M. Blandin; 2, E. Bernstein; 3, A. Smith. 50 yards, for ladies—S. E. Parks; 2, W. Dowson; 3, W. Bowman.

## DE LA SALLE BROTHERS' COLLEGE NEAR AURORA

Builders will start work about the middle of August on a new building for the Christian Brothers of De La Salle at Oak Ridges, near Aurora, to cost about \$200,000. The site and grounds comprise 115 acres, twenty acres of which was purchased by his Grace the Bishop McNeil and presented to the order, the remainder being bought by the Christian Brothers.

The new building will be a training college for young men who wish to join the Order of Christian Brothers, and the course of study will enable them to secure Normal School training, and the senior teachers' certificate. The structure, which will face Yonge street, is to be built of brick and stone in the Corinthian style, and fireproof throughout.

Historic Site. The history of this piece of property is interesting in the fact that at the time of the French Revolution the land was given by the Government of Canada to the French refugees, who held it for about three years, and then abandoned it on account of the coldness of the climate.

## TOWNSHIP BOUGHT LUMBER BY TENDER

Deputy Reeve Miller Says Crooked Deal Story is Untrue.

Addressing the members of the executive committee of the West Fairbank Raters' Association last evening in reference to the charges made by J. Nudd against the York Township Council, concerning a lumber deal last winter, Deputy Reeve Miller branded Mr. Nudd's statement as "absolutely untrue and malicious."

"The facts are these," said Mr. Miller, "Joseph Larson, real estate agent, Fairbank, meeting Reeve Geo. Syme, councillor Wm. Graham and myself, one day last summer in the Fairbank district, offered us for sale a lot of old lumber which had been used in the erection of a cement bridge on Sir Henry Peel property at Cedarvale. Was Secondhand.

"Altho it had been in use it was good sound lumber. We informed Mr. Larson we were not dealing in second-hand lumber, but he offered it to us at \$16.00 per thousand feet, and we told him we would send Road Commissioner Snider to look it over, and if found suitable, we might buy some for placing on that portion of Dufferin street, from Eglington avenue to the temporary school. Mr. Snider looked the lumber over, and found a quantity of 2 x 4 pieces amongst the pile, and said this pile would have to be picked out, as they would be no use to him. Mr. Larson said the lumber would have to be taken in the pile, all sizes, which Mr. Snider would not consent to do, and consequently there was no deal and no deposit paid.

"We then, for the first time in the history of the council advertised for tenders, for lumber in carload lots, and Mr. Reeve Watson's tender was the lowest. He quoted No. 1 Hemlock at \$25.00 per thousand feet and cedar at \$22.00, as Mr. Nudd incorrectly stated.

Councillor Wm. Graham bore out Mr. Miller's statement. "President Culliff: 'If you paid \$25.00 and say it is the lowest tender, I say it is more than it is worth, and it is certainly not the lowest price at which you can buy lumber.' Mr. Miller retorted, 'If you can buy the same quality lumber at \$25.00 or \$26.00 per thousand, I will give you an order for as many thousand feet as you can sell me.' This remark closed the incident.

## YORK TOWNSHIP TO LEVY SPECIAL HOSPITAL RATE

Council Finds it Necessary Owing to Number of Indigent Cases.

It is reported that the York Township Council intends to levy a special rate of one or two mills this year for hospital expenses, owing to the large number of sick children from all parts of the township that are sent to the Sick Children's Hospital, and for which the council has to pay a charge of \$1 per day. "When it is considered that we contribute a subscription of \$25 per year, and the hospital authorities are sending out circulars asking for subscriptions all over the city, the charge of \$1 per day seems somewhat excessive under the circumstances," said Deputy Reeve Miller yesterday.

## COACHES HELD UP TOURISTS ROBBED

Bandits Take Three Thousand Dollars From Passengers in Yellowstone Park.

Canadian Press Despatch. GARDINER, Mont., July 29.—Stage coaches of four of the largest transportation companies operating in Yellowstone Park were held up today by two men. The 165 passengers on the stages were robbed of their money and it is reported the robbers obtained a total of \$2500.

The hold-ups occurred at different times at Spring Creek Canyon, four miles from Old Faithful, a geyser and 54 miles from Gardiner.

Lt.-Col. L. M. Brett has a large force of men pursuing the robbers, who were reported to be heading toward the Jackson Hole country in Wyoming. Only one robber participated actively in the hold-ups, the second man remaining behind trees as a lookout. The transportation companies offered rewards aggregating \$500 for the capture of the bandits.

The highwaymen had the advantage, because government regulations prevent any person except those with permits from carrying arms in the park. The bandit who did the actual work of robbing had only to cover the driver with his gun.
