JESS WILLARD IN BOASTFUL MOOD

Fighters at Havana Give Out Interviews—More Officials Appointed.

NEW YORK, April 1.—Interviews with Johnson and Willard were printed here today as called from Havana. The white man is reported as saying that he felt good enough to beat the black with one hand (meaning Willard's) tied behind his back, thus casting all past performances to the winds.

Jack Johnson: "Two more days of good workouts will fit me for the battle of my career. I feel good enough now to fight fifty-five rounds, and I'm willing to have a few more workouts so as to be in condition to give Willard the best performance of his career."

Jess Willard: "I am hardly able to wait for the bell that will send us in the ring. I have waited so long for a chance to win the championship that I feel it is my duty to go in and win it. I feel good enough to beat Johnson with one hand tied behind my back."

The fight starts on Monday at 12.30, Havana time, or 1 p.m., Toronto time, in the open air at the race track. A heavy rain would necessarily cause a postponement.

M. J. Hinkel of Cleveland was today named alternate referee. He will referee in case Jack Willard is for any reason unable to reach Havana in time. If Willard does get there it will be Hinkel's duty to sit at the ringside ready to step in and relieve Willard in case the latter should get knocked out by a stray punch or suffer from sun sickness.

This decision was reached at a meeting of the principals and promoters, held late today. At the same time, Bob Vernon of New York was appointed official timekeeper of the club, with Ben Harris, also of New York, as alternate. Sam Leonard of Toronto is the timekeeper for Johnson. The timekeeper for Willard is Otto Floto of Denver.

Johnson Tried Shark's Fins Training Diet

Jack Curley got the shock of his life the other day when he went out to Johnson's quarters to see him work. "Where's the big fellow?" asked Curley of faithful old Bob Armstrong, who met him at the training camp gate.

"He am gone down to range for a shark's hunt," said Bob.

"For a what?" screamed Curley.

"For one of them shark's hunts," repeated Bob.

Curley braced himself against the fence, as he saw visions of his \$2,000 worth of fighting machinery wading into the water, and he tried to get a glimpse of the shark's hunt. He saw Johnson, who had been told to be in on the hunt, and he saw Johnson's shark, which had been told to be in on the hunt.

Curley groaned, and his joints cracked like an old barn door in a windstorm. Then he pleaded, Johnson laughed, Jack threatened, Johnson bared his golden smile to the Cuban sun and held it, Curley finally was compelled to agree to the hunt, provided he could come along as a bodyguard over his leading man of the big show.

Right outside of Morro Castle, there exists the finest little shark colony on earth. Even the awdallish sharks are twelve and fourteen feet long and capable of eating and digesting a perfectly good sewing machine canvasser. Shark hunting is the class A sport of Havana, and Johnson simply had to be in on it.

It is dangerous in the extreme, this sport. Reports have it that Curley didn't stand guard over Johnson long. By the time Johnson had landed his fifth shark of the day our noble promoter, Curley, was stretched out on the flat of his back, the shark had come along as a bodyguard over his leading man of the big show.

The following team will represent Lancashire against Maple Leaf Saturday at Eaton Field, kick-off 4 o'clock: Dady, Holt, Featherstone, Arden, Sam Jones (capt.), Knowles, Art Jones, Woodward, Bowman, Hammett and Abraham. Reserves: Rigby, Rainford and Thompson.

PRESIDENT SUSPENDER NONE SO EASY

STAGE IS SET FOR LACROSSE CONFAB

Delegates Arrive for O.A.L.A. Convention—New Clubs Enter.

Amateur lacrosse is booming. The delegates arrived in abundance last night for the annual convention of the Ontario Amateur Lacrosse Association, in Victoria Hall today, and everybody reports a big revival throughout Ontario. With all the chief offices going by acclamation the preliminary confab was hardly up to last year, but this will not hurt the feeling, and Secretary Frank Doyle looks for an increased membership after noses are counted this morning.

Last year's list had 76 teams entered, composed of seven seniors, 25 intermediate, 18 junior and 16 juvenile. Close to 50 teams paid their fees early last night and with the delegates that are to arrive this morning last year's record should be boosted. Stirling, Millbrook and Tara were new clubs to pay fees for the intermediate series last night and Norwood entered the juvenile series. Lakefield is another new one expected.

Joe Lally was very much in evidence. He reported that the national game has caught on with a vengeance and that towns who haven't played lacrosse in years will turn up today for the annual doings. Several delegates are carrying the proxies of towns in their vicinity and Lancaster of Hawke's Bay has no less than 24 votes to cast today.

The convention opens at 10 a.m. and will be in session all day.

AN O. A. L. A. CHANCE.

Among the attractions the casual visitor to Toronto should not miss are the opportunities to buy really good clothes, such as every smart man would be proud and satisfied to wear. At a store like Hickey's, 37 Yonge street, which makes a specialty of meeting the requirements of the many who cannot afford fashionable prices, the casual visitor will find a line of goods equal to the best, at prices ranging from \$20 to \$35, according to quality of cloth and furnishings.

Delegates to the O.A.L.A. convention will be held Tuesday next at 3.30 p.m. in Willowdale Park. All players please turn out.

AMATEUR BASEBALL.

The Acme baseball team, champions of the Independent League, held a very successful meeting last night to organize for the coming season, and to judge from the way the members turned out they expect to have a strong team again. Fred Moyse was elected captain and Ted Lynch manager. The first practice will be held Monday next at 3.30 p.m. on Willowdale Park. All players please turn out.

McCormick defeated Ellsabeth in a senior playground indoor baseball fixture last night, 14 to 3. Jackson, pitching for Ellsabeth, was given very poor support. His team playing away below form. Neither pitcher O'Leary and McCormick met. This game will be keenly contested, as it will have a decided bearing on the league.

The Judean A.C. baseball team of the Toronto City League, under the management of Joe Penny, will hold their first practice of the season this morning (Friday) at Stanley Park at 10 o'clock. All last year's players and any new ones wishing to play on a good fast senior team are requested to turn out sharp on time.

THE T. EATON CO. LIMITED

The Chicago White Sox will have about six regulars hitting high-handed, while the Cubs, as Breenahan has five and possibly six as regulars who are left-handed hitters.

Roger Breenahan says the Cubs will take no chances with getting into a law suit with that great snifter, Kurt Hagenman. Roger says Kurt needn't report if he doesn't want to, and that he won't attempt to send him to another club.

One of the New York newspaper scribes with the Giants proclaims Olie Kirk's critics. McGraw evidently thinks so, too, for he has made payment for the Decatur youngster, indicating that he intends to keep him.

Secretary Blackwood of the Cleveland Indians, commenting on the progress shown in training, remarks that the individual players have shown up well, and that is as it should be in team work. Pitcher Bob Harmon of the Pirates says he has invented a new curve after three years of experimenting which will make his work much more effective. He is much more effective than he was last season, games in which he takes a mound might as well be forfeited by opposing teams.

Krausmann's Grill, King and Church streets, Musco, 4 to 8 and 10 to 12 p.m. Sundays sacred music, 6 to 8 p.m. Passé banquets ordered for.
