**T**HIS cut shows our immense, new and thoroughly  
equipped factory, which gives us a capacity of  
building (not simply assembling) from 14,000  
to 16,000 finished jobs annually.

Our vehicles were awarded the Silver Medal  
(the highest honors attainable for light work), at the Paris  
International Exposition, excelling all other Canadian Ex-  
hibitors in the business and proving conclusively that for  
real merit our goods are unequalled.

A point not to be overlooked is the following: We  
are absolutely the only firm represented in the West, which deals direct. We have no Middle-  
man's profit. We take your order and ship direct, no commission (10 per cent to 12½ per cent)  
being allowed simply because our vehicles come into your country.

Then again, our wheels are All "A" Standard. A "B" wheel cannot be found in our  
factory. An "A" wheel is made out of the cream of the hickory. A "B" wheel is made out of  
hickory not fit for an "A" wheel. Always buy the best and good results are bound to follow.

Before placing spring orders it will pay you to wait until our traveller calls on you.

When in the city, do not fail to call at our warerooms, No. 144 Princess St. We will at all  
times be pleased to meet you. Our Motto for 30 years. 'ONE GRADE ONLY AND THAT THE BEST.'
