THE CRESCENTS WON FROM ST. PATRICKS

Scoring Shutout Before Good Crowd on Cold Night in Arena.

Crescents handed St. Patricks a 3 to 0 defeat at the Arena on Saturday night before a surprisingly good crowd, considering weather conditions. St. Patricks trotted out the same team that they staged against Dentals on Thursday and showed the same weakness, namely, the lack of a man in centre ice that could score goals. Crescents made one change, Green replacing Paterson, who is at Camp Borden with the R. F. C. This change was not a noticeable improvement in the play of which were apparently not desired.

Lancashire Leaders Lose at Stockport—Hull Defeats Leeds.

Special Cable to The Toronto World. London, Jan. 12.—Many upsets occurred in the league soccer games decided today. The leaders of the Lancashire section, Liverpool, met with their season's defeat this season in tackling Stockport County away from home. Stoke drew a surprising reverse, Hull City beating them by 3 to 1, which gives Sheffield United a fine chance to regain their position at the top of the Midland section table. The star London game was played between the old rivals—Millwall and West Ham United. The latter just got the verdict by the only goal scored and made a useful jump in the table. LARRY GUESS HAS OUR LARRY ON FIRST BASE FOR CLEVELAND

New York Writer Says International League Will Continue—Hot Stove Baseball News and Gosip.

Somebody, possibly one of the numerous irresponsible special baseball correspondents working overtime these days, has the latest hint regarding our Nap Lajoie. It is that he may show up as first baseman for the Cleveland Indians, since the Cleveland club has lost all its first base candidates thru army draft or enlistment in the United States. The International League will be in the field in 1918, a club owner of the class AA organization told W. J. McEish of The New York Tribune. The circuit is not in such dire financial straits as was suspected when at the annual meeting in New York last month it was voted to cut former President Ed. Barrow's salary from \$7500 to \$2800 a year. In fact, six of the eight clubs are willing to "carry on" and there is every probability, at the next meeting in New York on Feb. 12, that the two dissatisfied clubs will be rapidly and anxiously secured a higher grade of baseball. The scheme to slash Barrow's salary was such a manner was not prompted by economical necessity. It was done to intimate to Ed. in no uncertain terms that he was no longer desired. He took the hint, of course, and resigned immediately. The attack was framed by those in control of the Richmond, Rochester, Providence and Montreal clubs. These were the four clubs which would have been sacrificed in the interests of an amalgamation with four other clubs. The International League had been a proposed near-major circuit for many years, but the scheme for a proposed near-major circuit was abandoned at the annual meeting of the National Association at Louisville. The revolutionists formed the plot at a dinner the night preceding the annual meeting of the International League. Very fortunate for them they found two unexpected allies in Joseph J. Lannin and Jack Dunn. Lannin had decided to

WYLIE AND HAMILTON WIN FIRST PRIZES

At White's Bowling Tournament Saturday Night on Toronto Club Alleys.

White & Co., wholesale fruiterers, entertained their employees Saturday night at luncheon and bowling, in fact the entertainment as handed out by the big green goods house reward for good and faithful service rendered during the past year was of the high-class order, and cordially reflected the good feeling existing between employer and employee at the end of the old and the beginning of the new year just entered upon. Suffice to say, after turkey bones had been well picked and the plum pudding stowed away at McCloskey's, a descent was soon made upon the Toronto Bowling Club, where fivepins took up the remainder of the evening between the 59 odd contestants for an array of prizes that would do credit to a league final. President James Langkell, General Manager W. H. Despard and Sales Manager Eddie Jordan gave the credit for the successful handling of the big roll-over treat, and who called down the plaudits of the large staff of workers at the end of the games. Following are the 20 prize winners of the three game total and scores of each divided into two sections, with handicaps from scratch to 75 pins governing the results: First High Ten—Wylie (75) 487. To Groom J. Smith For Second Base

New York, Jan. 12.—John C. (Rube) Benton, left-handed pitcher and James Smith, utility infielder of the New York Yankees, today signed contracts for 1918. Jimmy Smith, who came here from Toronto and who played second base during the latter part of last season, will wear a St. Louis National League uniform, an announcement that has been made by President Branch Rickey, Wallace made his debut as a professional with the Clarion team in 1913 as a pitcher. In 1914 he was with Franklin of the Northern League until he was purchased later in the season by the Cleveland club. He has been a long time in the new St. Louis American, where, placed at shortstop, he made as great a reputation as he had previously made as a third baseman. Now he turns to the St. Louis National League club again after an absence of fifteen years.

Bobby Wallace Oldest Player in the Majors

Bobby Wallace, the daddy of all major league ball players in age and point of length of time he has been in harness, seems likely to go on forever. This veteran of veteran infielders, who is 48 years old, has been in the game for twenty-four years, and next season will wear a St. Louis National League uniform, an announcement that has been made by President Branch Rickey, Wallace made his debut as a professional with the Clarion team in 1913 as a pitcher. In 1914 he was with Franklin of the Northern League until he was purchased later in the season by the Cleveland club.
