AURA LEE TOP DOG IN RED-HOT GAME

Parkdale Put Up Great Argument for Fifty Minutes of Contest.

The first clash between the two local crack junior teams supplied a thrilling game at the arena last night. Aura Lee downed Parkdale 3 to 1, but it was only in the dying minutes of the game that the north-end youngsters came thru with a spurt and put on the goals to get the verdict.

About twenty-five hundred fans took in the fixture, but many others will be kicking themselves that they missed this red-hot contest this morning. The first fifty minutes of the game were as light an argument as any fan could ask for, and the hockey dishd up was of the best.

The youngsters put every ounce of energy into the fray, and the fans roared with the thrilling stuff pulled in the pinches. Warters played like a champion, and the good Aura Lee kept right inside the defence time after time, only to have little Warters come out and take the shot in sensational style.

Defence Was Good. The Aura Lee defence was air-tight, and Parkdale did most of their shooting from outside this sturdy pair. Green was very flashy with his pretty dodging, but he found Hogarth and Connacher a mighty puzzle, and he only got to close quarters on rare occasions. Burch, Kodden, Wright and Rutherford kept up the hot pace, and they strung out across the ice in pretty fashion, passing until they were well in, and giving Warters a tough shot to stop each time.

It was bang-up hockey until the last ten minutes of play. Each club grabbed a goal in the opening period. Parkdale scored twice in the second twenty minutes of play, and Aura Lee duplicated the trick. Aura Lee outscored the canoeists, four to one, in the closing round.

Aura Lee showed the best team-play all thru the heat, but Parkdale kept coming down one and two at a time, and they let fly at Devitt as soon as they came within decent scoring distance.

The speed was simply amazing, and Aura Lee kept it up to the last bell. Parkdale broke a little under the strain in the last period, and Aura Lee took advantage of this. The whole Aura Lee forward line were stars. Burch had perhaps a little more than his share, but the work of all was up to top hole.

Aura Lee played a sturdy game on the defence and was strong rusher in the early stages. Hogarth opened up some lively bumping, and rushing in the last two periods was grand to watch. The Aura Lee pair were seldom outscored, and they played a sturdy game on the defence and was strong rusher in the early stages.

McCurry was the pick of the losers' forward line. He scored strongly, and a wicked shot from the wing, and grabbed off two counters. He tried in spots, but always came back, and checked well and did some nifty dodging. He and Connacher a hard pair to slip around. The defence, McKinnon and played the biggest part of the game. He was a tower of strength, but found the Aura Lee forwards buzzing around him like flies.

Spring was a tower of strength, but found the Aura Lee forwards buzzing around him like flies. He was a tower of strength, but found the Aura Lee forwards buzzing around him like flies.

The first period was a hummer. The boys put everything they had into the twenty minutes. McCurry was raining shots at Devitt from the wing, and the Aura Lee goalie was hard put to turn them aside. The red and white forward line went in closer than their opponents, and showed beautiful combination.

Burch scored one in the early stages that was not allowed when he got the penalty box when Rodden batted in the rebound from a shot by Burch.

McCurry got right into the game, but Devitt came out and saved prettily. The play went from end to end and the pace had everybody dizzy trying to follow it. Warters did some good saving, and then McCurry tied it up. The duke wiggled his way in thru the whole works to score. There was no further scoring before they rested.

The second period was another clincher. The boys kept the hot pace, and the work of the goalies was simply marvelous. Aura Lee kept the hot pace, and the work of the goalies was simply marvelous.

A face-off at the Aura Lee end. It was short-lived, for the Aura Lee squad came thru with the last two goals of the game. Rodden got one from a pretty three-man play, and Hogarth pulled off a lone try for the other. The final score was 3 to 1 in favor of the Aura Lee.

The Aura Lee (7): Warters, centre; Devitt, left wing; Burch, right wing; McKinnon, left defence; Rodden, right defence; Burch, left defence; Hogarth, right defence.

Parkdale (6): Burch, centre; Rodden, left wing; McKinnon, right wing; McKinnon, left defence; Rodden, right defence; Burch, left defence; Hogarth, right defence.

For ten minutes of the first period it was the most great stuff. Warters pulled some grand saves. Rutherford got a goal eleven minutes after the period opened by batting in the puck with Spring in the net and on the ice.

Warters was serving a minute penalty for going to his knees, his one bad fault. Rutherford also got a minute for the ballgame was gone. He picked up the puck after the Rodden left off, went in and put it in the corner of the net.

HOCKEY TODAY AT ARENA.

Beaches and Matlands will play at the Arena this afternoon. Beaches tossed away their chance to win during the week in their former meeting by resorting to tripping and hooking. This will not get them anywhere, and the coach has ordered every boy to pay attention to his kicking. Matlands are coming to the arena, and the beaches will have to be at their best to beat them. The teams: Matlands—Goal, Davies; defence, Ross and Ritchie; left, Barnes; right, Waldron; left, Shaw; subs, M. Burt, S. Burt, and J. Burt. Beaches—Goal, Davies; defence, Ross and Ritchie; left, Barnes; right, Waldron; left, Shaw; subs, M. Burt, S. Burt, and J. Burt.

Joe Ryan's Veterans seniors take on the Hamilton Tigers at the arena tonight. The Vets went up to Hamilton and fought with the Bengals, and got themselves into some lively bumping, and created a little bad feeling between the teams, but it is hardly likely that they will renew it tonight. The Vets will trot out their strongest line-up, and their lively game.

Hamilton—Goal, Rheame; defence, McGarthy, left, Dunlop; right, McArthur; left, Dunlop; right, McArthur; left, Dunlop; right, McArthur.

The following Crescent hockey team midgets should turn out for the game with Parkville today, at 3:30: William, son, Freeman, Han, Berry, Pearce, Macdonald.

UPPER CANADA UNABLE TO HOLD U.T.S. SQUAD

University Schools Score Ten Goals in Junior Prep. College Fixture.

Without the services of two of their best forwards, University Schools handed Upper Canada a bad dose of whitewash in their prep. college junior fixture at the arena yesterday afternoon. U. T. S. simply ran all over their opponents and scored ten goals and held U.C.C. scoreless.

Munro and Frank Sullivan were the big ones for the winners. They had a play 75 per cent. of the time and walked right up to the net. Sullivan gathered in six goals, Munro three and Rowell the other one.

Munro moved up to the forward line in the last period and enjoyed himself immensely. He scored three goals like a Trojan and forced right in.

Asgett and Aggett were absentees from the U.T.S. forward line. It was not the same team without them, but Sullivan and Munro took things into their own hands and made the score what it was.

Kearns and Greer are not fast, and have not the stick-handling ability of Jeffreys and Aggett. Jeffreys is out with chickenpox and Aggett is nursing a wrenched knee. Both these boys will be back for the St. Michaels game.

Upper Canada were outfitted, and found that U.T.S. broke up any attempt at combination with checking. Beatty broke loose with some good rushes, but shot from far out. Kirk was the best of the forwards, but also had the bad long-distance-shooting habit. They were never in the hunt. Munro got the only two goals of the opening period. Sullivan netted three and Rowell one in the second, and the last period saw three U. T. S. goals.

The teams: U.T.S.—Goal, J. Sullivan; defence, Rowell, Munro; centre, F. Sullivan; right, Kearns; left, Greer; subs, Beatty and Aggett. Upper Canada—Goal, Mitchell; defence, Beatty, Brackley and Williams; right, Kirk; left, Swab; subs, Gill and Gilmore.
