SHADOW OF GALLOWS

IS ONCE MORE REPRIEVED

Gov. Folk to-day granted a respite of evidence conclusive and convincing to 2) days to "Lord" Frederick Seymour persists in the time-worn story he used Barrington, under sentence to be hang-m nis defence with the same persist ed at Clayton, Mo., on July 25, for the ent latuousness that has characterized murder of James P. McCann. This is to afford time to enquire into the peti-

tions presented. by Gov. Folk urging executive clem- he ever passed himself off as an Engency for Barrington. Two were re-ceived last night from Judges Valliant

from Judge Valliant: "In my opinion the State of Missou-ri cannot face the world with that re-cord and say she gave Barrington a

and we therefore recommend such commutation.

Judges Valliant and Graves were the judges who handed in a dissenting opinion when Barrington's case came before the court. Gov. Folk promises.

a decision in the matter to-day. Long Fight for Life.

For a man without money, station or influence and with the long criminal in English prisons he was valet to a record in many countries and branches of crime behind him, Barrington's fight his life has been remarkable. Altho the records of Scotland Yard and the bureau of criminal statistics in this country have yielled up data about. Barrington and his career of crime,

showing him to have at least a score of aliases and a trail of miscellaneous misdeeds in Europe. Asia and Ameri-ca, the rogue has had enough *e* lausiened upon him. bility to impress persons of intelli-gence with the justness of his profes-

sions of innocence. With their aid and the sinews which With their aid and the sinews which have enabled him to engage counsel, he has fought the conviction of mur-der in the first degree from court to court, even to the highest in the land. The crime for which Barrington was to satisfy the law with his life next Thursday was the murder of the man who had befriended, him when almost the entire city spurned him and held the crime for spurned him and held the entire city spurned him and held him in contempt for his exploded pre-tensions of gentility, by which he had hoodwinked into marrying him a fool-

ish American girl. On the night of June 19, 1903, he mur-

tenced to die March 5, 1904.

s a story of one farcical romance ending in the ponce court and the rock phe, and succeeded by a graver crime which has prought him at the present thme n the shadow of the globet. In his more than four years of imprisonment in the clayton jail Barrington has never ceased to protest his in-

nocence of the murder or to assert his benef that McCann is alive and will yet to be tound. indeed, in the lace of most who know the circumstances, he

his bungling career. Giaims to Gentility.

Only one concession has ne made in the face of the exposure of his claims Many communications were received to noble birth. That is to disclaim that lish nobleman. ne denies Meirose Castle and the British peerage, but still ceived last night from Judges valuant and the British peerage, but still and Graves of the Missouri Supreme Court, asking for a commutation of ity, altho he admits that the name ne goes under is not his own. His real sentence. The first was the following telegram name ne will not divulge because he save he does not wish to bring dissays he does not wish to bring dis-grace upon his mother, who is still

living. But his friends, of whom the nas several loyal and fast ones, are not so retcent about his family ristory. Once of them, Mrs. Madeline Gates of West The second is in the form of a peti-tion signed by Judges Valliant and Graves. It says: Graves. It says: "We believe the ends of justice will be better served by a commutation of the death sentence imposed upon F. Seymour Barrington to imprisonmerf for life than would be his execution, and we therefore recommend such com-Barrington escape the gallows, declares that Barrington, or Seymour, is a nero of Indian and South African cam-

paigns, having served with the Strathcona Horse in the Boer war. Barrington's earlier boasts included

that of an army career in india and South Africa. It is believed that in some brief interval between sentences

colonel of a regiment stationed in India, and later in South Africa, and his evident knowledge of the customs and languages of those countries bears out his assertion that he has been in them. Indeed, the English police say that he was suspected of murdering his officer in India, but the crime was never fast-
