Canada's Greatest Store.

Thursday the Last Day! Thursday Our Bargain Day!

In order to end the year with a big enthusiasm, and in view of the fact that the store will be closed on Friday, we've arranged such a bargain day for tomorrow as will crowd the store from stem to stern. Stocktaking of itself will make bargains—so will the climax of the year and so will the short week. We want a big day, a rousing big day, and this is the proposed Island Railway. The world has advocated an overland how we'll get it:

The Street Railway people are committed to the project, and Mayor Fleming is going to make that question the issue of this Mayoralty election. With this big and important issue looming up in the front Mayor Fleming is almost obscured. The Mayoralty campaign this year is one of measures more than of men. And by long odds the most important measure is that of the proposed Island Railway.
